

GIMME DAT END TIMES RELIGION – PART XXII

In some ways all we have looked at in these last 20 or so weeks has been but preparation for this conclusion. In a so much deeper and more significant way, all of history is preparing the way for Jesus the Christ to put an end to Man's rebellion and assume His rightful role as King of kings and Lord of lords. And as for us: All of "creation waits in eager expectation for the sons of God to be revealed". (Romans 8:19)

THE ANTICHRIST PLAN

"For God knows that in the day you eat from it your eyes will be opened, and you will be like God, knowing good and evil". (Genesis 3:5)

There is an evil plan afoot! In fact there are several. There are forces in the world today that have set their minds and committed their lives to bringing mankind's rebellion to fruition. They are working toward 'creating the Antichrist'. Included are: Shiite Muslims expecting the Mahdi, Gaia worshippers, Illuminati / One-Worlder-types like those that sit on the CFR or the Bildebergers, radical environmentalists, those that worship the 'divine feminine', Theosophists, New Agers, the higher orders of the Freemasons and more. Some know 'just who he is', [Satan / Antichrist]. Others deny the reality of just 'who he is'. And others still are duped by the powers that would bring him about. But make no mistake, his spirit is in the world and men are about the work of bringing him to power. The groups are many and varied but they have one thing in common: They fit the description found in 1John 4:3: **"[E]very spirit that does not confess that Jesus Christ has come in the flesh is not of God. And this is the spirit of the antichrist, which you have heard was coming, and is now already in the world".**

A good place to start is to recall the plans of the Masons as revealed by Satanist and Masonic heavyweight Albert Pike. You might remember we quickly reviewed his 'prophetic' letter concerning the three world wars, that according to his demonic spirit guide, would have to be fought to bring the Antichrist to power. It's essential that we understand just who Pike really was. He served as a Confederate General, the Grand Commander of North American Freemasonry and was a founding leader of the Ku Klux Klan. With Prime Minister Palmerston of England, Italian revolutionary Giuseppe Mazzini and Germany's Chancellor Otto von Bismarck, he worked to impose the satanic Palladian Rite on all Masonry. He was said to be in contact with Lucifer himself. In 1871 he wrote the now famous Morals and Dogma, laying out the rules and purposes of Masonry. "Every Masonic lodge is a temple of religion" whose purposes is to "conceal the truth" with "false interpretations" for the lower 29 degrees of the lodge. And that truth is that "God is, as man conceives him, the reflected image of man himself." His god and that of the Masons was not the God of the Bible, but Satan himself; - "Lucifer, the Light Bearer! Strange and mysterious name to give to the Spirit of Darkness! Lucifer, the Son of the Morning! Is it he who bears the Light...Doubt it not!"¹ In Morals and Dogma, Pike calls Satan "he who bears the light" and refers to their ultimate goal, - the One World Government; - the "Holy Empire".²

It was the purpose of the Masons, Pike believed, to foment war and conflict until the coming of the 'One' (the Antichrist). In a letter dated August 15, 1871, he describes a demonic vision for three world wars that would lead to the establishment of the One World Order. This letter was for a time in the British Museum in London where it was copied by Canadian Naval officer, William Guy Carr.

- The first war was to bring down the Russian Czars and "weaken the religions". It was to start as a conflict between the German and British Empires. "At the end of the war, Communism will be built and used in order to destroy the other governments". That is exactly what happened.
- War #2 would be fought between "Fascists and the political Zionists". The world was to emerge from that war with a Jewish State in Palestine and worldwide Communism able to serve as a foil to the 'Christian' West. Again, that is exactly what happened.
- The 3rd war is to pit Islam against Zionism (Israel) ending in mutual destruction. Other "nations, once more divided on this issue will be constrained to fight to the point of complete physical, moral, spiritual and economical exhaustion". Then "disillusioned with Christianity... will receive the true light through the universal manifestation of the pure doctrine of Lucifer, brought finally out in the public view".^{3 4}

So you see the three world wars were to serve the purpose of preparing the world for the new messiah. But the New Agers teach that this New Christ cannot appear until mankind is spiritually prepared for his presence. We turn again to our friend Alice Bailey to get an understanding. She tells us energies want to flow to mankind to produce the Christ, but cannot do so until “humanity raises its collective consciousness to be properly awakened receptors.”⁵ As one recent article on the growth of paganism in Australia put it, “It’s just a way of ...collecting the energy of your thought ...with the divine energy that exists around us.” This plugging in to the energy is what is behind the harmonic convergence phenomena. (Remember those? A bunch of granola snorting California hippie types holding hands and chanting in the mountains.) Decades ago, Alice Bailey herself wrote that the appearance of the ‘*Christ*’, will be actuated by an act of united will “The Spirit of Peace is hovering close to humanity, seeking opportunity to make His Presence felt. The Spirit of Peace is not an abstract concept but a potent Individual, wielding forces hitherto unfamiliar to our planet. Great Forces are awaiting the hour when They can function as the Liberators and the Deliverers of mankind. But the door to Their entrance must be opened by humanity itself and it will be opened by *a united act of the will*, expressed through some formula of words as expressed in sound. It will be brought about by an activity performed simultaneously by all men and women of goodwill and by all the world aspirants and disciples. The door will not open unless the act of invocation is backed by the focused will”.⁶

Detour with me for a moment to Genesis 11. Nimrod’s religious rebellion is in full swing. Mankind is unified in glorifying itself. They are building a great tower to, in their words, “**make a name for ourselves**”. Now the Word of God teaches that there is power in unity; - whether for good or for evil. God of course recognizes this. “**Indeed the people *are* one and they all have one language, and this is what they begin to do; now nothing that they propose to do will be withheld from them.**” (Genesis 11:6) So He confuses their language. This is not the act of a capricious God, selfishly bent on His own glory; - but rather one of a loving God, protecting His creation from themselves. Occultic forces are right now calling for that unity again. If you remember way back to the beginning of this series, Theosophist Alice Bailey and the UN have provided just such a unifying prayer designed to invoke the coming of the New Age Christ. It’s called the Great Invocation. It began being publicly used in 1982 at the International Day of Peace. The spiritual technology is already in place.⁷

A few years back, David Bay of Cutting Edge Ministries did some groundbreaking work, reporting on a seminar of the New England Theosophical Society that outlined for the attendees the plans to call forth the New Age Messiah. Bill Lambert, who was the Director and featured speaker at the conference, believes that prophecy is self-fulfilling. “What a person thinks, he creates”.⁸ A belief in the concept of Armageddon will lead to massive nuclear war. So too, when enough people believe it, this world will be ready for the New Age Messiah. It is then that he will arrive. This is the same message of *The Secret*, that Oprah supported New Age drivel that is taking the world by storm. Applying the message, Peter Lemesurier, author of the Armageddon Script agrees. “If the Messiah is to appear, then he must be produced”, says he.⁹ That means by human action. Lambert’s remarks, when taken in conjunction with other New Age writings, lay out a clear and rather precise blueprint for realizing the coming New World Order.

Whether with full knowledge or not, it is interesting that the specific steps that Lambert spoke of, all dealt on some level, with events that are clearly predicted in Scripture. We’ll take as our working template the scenario outlined at the Theosophy seminar. With due props to David Bay of Cutting Edge Ministries, here is the plan that according to Mr Lambert and other Illuminati types, is to unfold sometime before the year 2010.

1. **The New Jerusalem Covenant Project** – The problem of Palestine will be solved when Jerusalem becomes a truly international city, - for Jew, Christian & Muslim alike. [We have already seen proposals to ‘reach some agreement’ between Israel and the Palestinians, on East Jerusalem. You’ll recall that we’ve also noted the Vatican’s interest in having the Holy City declared an international city, - to operate under the control of the Catholic Church.]
2. **One World Religion Declared** – A concurrent religious celebration for Christians, Muslim & Buddhists will occur. At that time the New World Order Religion will be announced.
3. **A Global Political / Business Conference** – The conference will put arms as well as human and environmental resources and even space under control of a global governing body. Now here’s David Bay quoting conference speaker Bill Lambert. Once these religious and political / business meetings have taken place “a grand merger of all forces will occur world-wide that will move the world in any desired direction”. [They’re planning the political / religious super kingdom of Antichrist.] That desired direction starts with a combination political / religious settlement in the Middle East. Lambert again: “Once this religious problem is solved, then the power and influence of the Orthodox Jews in Israel would permanently decline”. There is a concerted effort to take down the Orthodox Jews.
4. **The New Temple Is Built** – It is a combined Temple / Church / Mosque. [I’ve seen the design for this building on the internet in the past but have not recently been able to locate it.]

5. **War Drives The Plan** – Quoting Mr Lambert: “The impetus toward this type of settlement is made possible only because of a general fear of war. This fear of war must be maintained until the desired political and religious changes have been instituted”.¹⁰

It’s necessary here to take a little side trip to the work of Peter Lemesurier, author of the Armageddon Script. In his book he lays out in detail just how the Illuminati New World Order types plan to maintain the pressure that will create the conditions necessary for the rise of the Antichrist. Here are the details of the plan.

- **Arab Israeli War** - Israel wins an annihilating victory, fulfilling many Biblical prophecies.
- **Catastrophic Terror** – Major terror attacks against the US & Europe using WMDs.
- **Nuclear Crisis In Korea** - Lemesurier writes, “A hair raising nuclear confrontation in Korea may, towards the end of the period, threaten man’s very survival.”
- **Taiwan Invasion** - China uses the fact that the U.S. is occupied on two fronts to invade Taiwan, challenging the already stretched American Naval forces in the region.
- **Alien Presence** – Extraterrestrials manifest a presence that leads to the collapse of the religious beliefs of many around the globe. [In the last chapter we saw how many countries around the world and even the UN are beginning to publicly acknowledge the possibility of contact with what they deem to be alien beings.]
- **Stock Market to Crash** – You can see why.
- **Earthquakes around the world** - (Unconfirmed reports exist that Russian and U.S. military capabilities include the ability to create earthquakes.)
- **The New Age Christ Appears** - He is a man of peace. He claims to be the Jewish Messiah, Jesus, Mohammed and Buddha rolled into one. He shows displays of supernatural power.¹¹

So that’s the plan to reveal the New Messiah. But they’ve got ideas too on just how that will work itself out. Some of which have some very interesting prophetic implications.

PRAY TO WHOM ?

Some of our leaders seem to have lost their compass a bit, confusing tolerance with approval and seemingly bending over backwards to not only acknowledge but actually celebrate a culture inimical to the American tradition. The House of Representatives recently passed a resolution honoring Islam and commending Muslims for their faith. The vote was 376-0 with 42 abstentions. Don’t get me wrong. Now there are very many peaceful Muslims. But lets be clear about what we are endorsing. The Koran calls for the violent forced conversion of unbelievers. That’s us! This newsletter has documented how beginning with Mohammed himself, the Religion of Peace has built a record of, - in the words of Brigitte Gabrielle, - violence, brutality, terror and intolerance”.¹² But Congress is not alone in missing the point. The openly Christian President Bush has once again stated his belief that all religions pray to the same God. “We have different routes of getting to the Almighty”, he explained back in 2004.¹³ Earlier this month, he told Arab TV that Muslims, Christians “or any other religion, prays to the same God”.¹⁴ According to the Bible however, he is wrong. Scripture clearly tells us that “**the Father is seeking...worship in spirit and truth**”. (Matthew 4:23-24) We don’t get to pick the road: There is only one ‘True’ way!

That’s the problem with that ‘*All roads lead to God*’ theory: It’s not Christian. Jesus warned us to “**enter through the narrow gate**” and avoid the “**broad road**” because it “**leads to destruction, and many enter through it**”. (Matthew 7:13) Christ tells us that he is “**the way**” to the Father, and there is none other. (John 14:6) The Bible teaches clearly that Jesus is the anointed Messiah, God’s Son, who took upon Himself all the sins of the world. This Truth is the center of the Christian Faith. In contrast, Islam denies the notion that their god, Allah, could even have a son. (Koran: Suras 37:4 & 6:101) There can be no point of convergence here: The teachings of Islam and Christianity are mutually exclusive. Further, as Christians; - while we are to pray for, and reach out to the unsaved; - we are not to unite with them on a spiritual basis. As 2Corinthians 6:14 puts it, “**Be ye not unequally yoked together with unbelievers: for what fellowship hath righteousness with unrighteousness? and what communion hath light with darkness?**” The President is redefining clear Christian teaching, sacrificing essential doctrine on an altar of tolerance, with a religion that demands the complete submission of the West. [As a body politic, we don’t even know enough to defend the culture that has brought us our success!]

But our political leaders are not alone in this flight from belief and reason. Several Christian organizations have joined with Muslims groups in an “Interfaith Fast to End the War in Iraq”. The “Christian” participants have let their left-wing politics trump their putative theology. The National Council of Churches, The Maryknollers (Catholic), United Methodists,

Quakers, and the Sojourners aligned themselves with CAIR (the Council on American Islamic Relations) and the Islamic Society of North America, to “educate our religious communities about electing a president and representatives who are committed to ending the war”.¹⁵ (In addition, a delegation from the National Council of Churches recently encouraged President Bush to meet with Iran’s leader Ahmadinejad, telling him that the Iranian President was “witty” “engaging” and “a religious man like yourself”. This of course is the same man who supports terror groups, funnels money & weapons into Iraq targeting US servicemen, denies the Holocaust, calls for the destruction of Israel and is seeking a nuclear weapon.¹⁶) Putting politics aside, and returning to the religious issue, (something these religious groups did not do), - just who in the heck are they supposed to be praying to anyway? The Bible teaches **“there is one God, and one mediator between God and men, the man Jesus Christ”**. There can be no common understanding on even the identity of God. This is an unholy alliance. Scripture says: **“Woe to those who call evil good, and good evil; Who put darkness for light, and light for darkness; Who put bitter for sweet, and sweet for bitter!”** (Isaiah 5:20) I think Isaiah sums it up nicely. Don’t you?

TURKEY & EZEKIEL 38

The Prophet Ezekiel is both specific and clear when he identifies the nations that will come against Israel in a Last Day’s invasion of the Holy Land. Among the leading nations identified in the passages of Ezekiel 38 are several peoples that comprise the modern nation of Turkey. For a long time, this posed a problem for prophecy scholars whose detractors were quick to point out that Turkey was solidly in the Western camp; - in fact the most Western of Islamic countries, an open ally of the US and a quiet friend to Israel. But all of that is changing. The last year has seen Ankara slowly reorienting itself toward and reintegrating with the Islamic world. National elections shifted the country markedly toward the fundamentalist camp. And the signs became clear that the Turks would not exactly be welcomed with open arms by the European Union. Then there is that pesky Kurdish problem. The Kurds want their own homeland made up of parts of Iran, Iraq and Turkey. Of course that pleases no one but the Kurds themselves. Now American / Turkish relations are strained over the issue of the nationalist Kurds that reside in northern Iraq. The Turkish Army is poised to strike the Kurdish forces there, and has conducted raids and bombings in the past. It was a sensitive situation made more volatile by the goading of a Democrat Congress that recently voted to condemn the massacre of the Armenians by the Turks almost a hundred years ago; - in 1915. The Turks are livid at the gesture and making veiled threats about cutting off the American supply line to the American military in Iraq that runs through their country.¹⁷ About 70% of the troops supplies come through Turkey. Couple that with a renewed effort at rapprochement with Iran, and you can see a key element of Ezekiel’s Magog Alliance against Israel falling into place. Geo-politics is driving the Turks into the Iranian camp. That Magog Alliance perhaps!

YADAS

A DEAL FOR AC ? - Israel’s Y-Net News is reporting that Olmert’s government and Abbas have agreed that parts of East Jerusalem including the Temple Mount will revert to the control of the Jordanian Royal Family, with Jordan, Israel, Egypt, the PA & the UN supervising the plan’s implementation. The senior leader of the Royal Family of is Prince El Hassan bin Talal, the former Crown Prince, who withdrew from the line of succession at the late King Hussein’s death in favor of his nephew. As documented by this newsletter, the Crown Prince has been put forward as a candidate for a revived Iraqi throne prior to the current Iraq War. Most importantly, he is the only man on the scene today who seems to fulfill the requirements to serve in the role of Islamic Mahdi and Biblical Antichrist. [For details e-mail request for the series: *Babylon Rising*.]

THIS IS A GOOD IDEA ? – When questioned at a recent debate among the Democrat candidates for president, John Edwards opined that it would indeed be appropriate for 2nd graders to have their teacher read them a story about a prince who marries another prince. “I want my children to be able to make that decision”, said he about the desirability of same sex marriage. While not personally in favor of marriage for gay couples, he believes it will be his children’s “generation that will bring about the great change in America on that issue”. “I don’t get to impose on them what it is that I believe is right.” In follow-ups Senators Barack Obama & Hillary Clinton signaled their agreement with Edward’s position.¹⁸ Is it me or is there no one there capable of exercising real leadership or having the courage of their convictions? The left has surrendered its standards to a guilty conscience for having an extrinsically formulated morality. It is a sign that we have fully and openly abandoned objective morality in the name of tolerating any behavior and lifestyle whatsoever: - no matter the human cost to ‘*consenting adults*’, children, or the society at large.
