Issue #284

CONSPIRACIES & REALITIES – PART III

We've been looking at the credibility of the claims by a 'connected' former British military man we call W. He claims that the Powers-That-Be (PTB) - are planning to lead the world toward the start of World War III within the next 24 months. We've seen that his statements are not out of line with what the Illuminati has written and declared before. Their timeline matches their previously revealed plans. The financial collapse that hit in September of 2008 fell...according to schedule. The Middle East, the first part of the powder keg set to create the global chaos necessary to create the New World Order is right now being set up for an explosion. And the plans to impose a regime of martial law and complete military control of the population is well advanced. So we pick up our analysis from there.

BEYOND OUR WILDEST IMAGINATIONS

It is hard for me to conceive of the things that I will write; - to share, with confidence, the things that I will share with regard to the sordid and wicked plans of men against their fellow man...against the race of man, itself. But I offer them with much confidence that they are indeed, the plans of men in high places. Let's review what needs yet to be tackled from W's story. He tells us that there will be a limited and controlled nuclear exchange, designed to be confined to the Middle East. It will be followed by a cease fire. During that cease fire, bio-weapons are to be unleashed against China, specifically designed to genetically target their population. According to their plan, these will eventually spread across the globe, reducing the world's population by half or better. Beyond that the PTB await a planet altering geophysical event. It is all designed to usher in the New World Order.¹

So how crazy is this? Well let's look at it against the context of the Scriptures. As we do, we'll begin to notice some stunning parallels. Beginning in Revelation 6, we see the unfolding of End Time events. It starts with the opening of the judgment seals. **"Now I saw when the Lamb opened one of the seals; and I heard one of the four living creatures saying with a voice like thunder, 'Come and see.' And I looked, and behold, a white horse. He who sat on it had a bow; and a crown was given to him, and he went out conquering and to conquer."** (Revelation 6:1-2) This signals the beginning of the tribulation. The rider on the white horse represents the Antichrist. The bow without arrows suggests an unexercised military might through which this Christ of the New Age attains the crown of world power – but for now, through peaceful means. He will be the last in a line of false messiahs that punctuate the end of the age. Jesus warned His disciples to: **"Take heed that no one deceives you. For many will come in My name, saying, 'I am the Christ,' and will deceive many."** (Matthew 24:4-5) Ol' AC will usher in a short-lived regime of false peace, with a panicked world following him in search of the elusive **"peace and security."** 1Thessalonians 5:3 tells us that that is when **"sudden destruction will come upon them as labor pains come upon a pregnant woman, and they will not escape."** (ESV)

Now this artificially engineered cease fire is all just part of the plan. W relates how it is the 'manufactured chaos' that drives folks to clamor for that peace. But in both W's version and the Bible's, it is that very peace that is used to affect the next stage of the drive for total global control. Here's Daniel 8:23-24. **"And in the latter time of their kingdom, When the transgressors have reached their fullness, A king shall arise, Having fierce features, Who understands**

sinister schemes. His power shall be mighty, but not by his own power.” What we are seeing then is the unfolding of a centuries-old plan to seize control of the entire planet. W and the other writers are revealing to us the essence of Illuminati plans layered in deceit and dependent on supernatural-power – from the dark side. Both Bill Ryan and his Witness, our British former military / finance guy W, agree that behind the coldly-logical, generations-long strategic thinking that is in operation here, can only lie a “non-human intelligence.”² Of course, that is just what the Scriptures tell us is happening here. Then the Prophet Daniel says this. **“And through his policy also he shall cause craft to prosper in his hand; and he shall magnify himself in his heart, and by peace shall destroy many.”** (Daniel 8:25) (KJV) The **“craft”** here mentioned, is very likely witchcraft; referring to the dark, Satanic nature of the plots that we are facing. [How can they be anything else, when they call for the destruction of literally billions of people; - a half to two-thirds of the entire population of the globe?] New Age guru, Alice Bailey fleshes this out for us a bit in her book, *The Externalization of the Hierarchy*, in which she unveils the role of Free Masonry, the Occult and an apostate church, that will accept and advance these goals of One World Government and Religion in the plans for the New Order. As Bailey lays it out, there is to be a merger of the Satanic with the shell of what once was the Church. In her words it will be a blending of “the One Universal Church, the sacred inner Lodge of all true Masons, and the innermost circles of the esoteric societies.”³ [By ‘esoteric’, she is referring to the understanding of the mysteries of life by a select few; - an inner circle of the spiritually initiated. There is much here of the ancient heresy of Gnosticism and direct links to the occult.] This is the sense of the meaning of the word **“craft”** in the passage above.

So let’s continue working through W’s scenario. He says that an initial nuclear exchange in the Middle East will be followed by a cease fire. That in turn will be followed by the release of biological warfare agents against China. From that starting point, both the man-made pestilence and the general war will spread. So look again at Revelation 6. **“When He opened the second seal, I heard the second living creature saying, ‘Come and see.’ Another horse, fiery red, went out. And it was granted to the one who sat on it to take peace from the earth, and that people should kill one another; and there was given to him a great sword.”** (Revelation 6:3-4) So there we have it. The Antichrist will seem to arise offering peace followed by the whole war thing. From there we move on to W’s tales of famine, scarcity and food lines. Following that comes a **“black horse, and he who sat on it had a pair of scales in his hand. And I heard a voice in the midst of the four living creatures saying, ‘A quart of wheat for a denarius, and three quarts of barley for a denarius; and do not harm the oil and the wine.’”** (Revelation 6:5-6) That’s directly talking about times of famine and scarcity. Next, the fourth seal gives us a look at a **“pale horse”** bringing famine and death. Look at verse 8. **“So I looked, and behold, a pale horse. And the name of him who sat on it was Death, and Hades followed with him. And power was given to them over a fourth of the earth, to kill with sword, with hunger, with death, and by the beasts of the earth.”** (It is interesting that both Scripture and the revealed Masonic plan call for a limitation on just where the destruction will spread.) Next, you get that last phrase referring to death by **“the beasts of the earth.”** Some commentators believe that this refers to none other than the micro-organisms that are the carriers of disease, - and they may be right. Finally, we’ll look at the warnings of Revelation 6:12. **“I looked when He opened the sixth seal, and behold, there was a great earthquake and the sun became black as sackcloth of hair, and the moon became like blood.”**

So just like in other Illuminati sources, W is warning that these Masonic types which were at this meeting he attended, were fully expecting a giant earthquake or some such event. The correlation between what the Masonic/Illuminati is plotting and what the Bible says will happen is really quite amazing! This newsletter has in the past referenced Peter Lemesurier’s *Armageddon Script*, where such an event is part of the series of events planned to bring the Antichrist to power. But the question must be asked: Why would they think so? Well the answer is that it really is not that far fetched. The US is among a handful of countries that are believed to possess the technology to alter the weather and produce earthquakes. [Other nations mentioned in this vein are Russia and Israel.]

What the US has is something called HAARP, which stands for High Frequency Active Aurora Research Program. Located not far from Fairbanks Alaska, this project – which looks like an “antenna farm” – is much more than a research program. It uses EMPs or an electro-magnetic pulse to super heat a targeted area to achieve the desired affect. The HAARP pulses are aimed at the ionosphere – but affect the magnetosphere and our atmosphere too. One use it has is

producing a missile defense by forming what has been described as a plasma shield. And bouncing and bouncing certain frequencies off of the atmosphere can be used to locate submarines. Patents taken out for this process also refer to its ability to engage in weather modification, disrupt communications on a nearly worldwide scale, and produce nuclear sized explosions without radiation. During one experiment, it is said to have “lit the polar cap” when it superheated that area. It can produce what one source described as an “aurora-like glowing light”. These lights have been observed to accompany some of the recent earthquakes. Some claim that it is a by-product of this glowing that actually causes the quakes. Other geologists claim that the glow is the result of a slow grinding of crystalline rocks in the earth prior to a seismic event.^{4 5}

If making earthquakes sounds crazy, listen to what President Clinton’s Secretary of Defense had to say at an official Department of Defense briefing back in 1999. He was asked about how the US is responding to some very real terrorists threats involving the use of WMD’s and other advanced super weapons. His reply is revealing, indeed! Here is part of that answer. *“There are some reports, for example, that some countries have been trying to construct something like an Ebola Virus, and that would be a very dangerous phenomenon, to say the least. Alvin Toffler has written about this in terms of some scientists in their laboratories trying to devise certain types of pathogens that would be ethnic specific so that they could just eliminate certain ethnic groups and races; and others are designing some sort of engineering, some sort of insects that can destroy specific crops. Others are engaging even in an eco- type of terrorism whereby they can alter the climate, set off earthquakes, volcanoes remotely through the use of electromagnetic waves. So there are plenty of ingenious minds out there that are at work finding ways in which they can wreak terror upon other nations. It’s real, and that’s the reason why we have to intensify our efforts.”* This lets us know that over a dozen years ago our government admitted that: (1) ethnic specific weapons exist – weapons that could target only Chinese for instance, (2) Weather Altering Weapons are part of current technology (3) Earthquake Machines – were not considered outside the realm of man’s technological capabilities.⁶ The more we look at the ‘crazy’ plans of the Illuminati types – and compare them to the Scriptures – as well as what we know to be scientifically possible – the more we understand the danger is very real. The ‘ridiculous’ and mocked conspiracies of yesterday, are fast unfolding into today’s reality.

BETRAYING JERUSALEM

The Background - It has been an interesting dance that Washington has been about recently, when it comes to its relationship with Israel. Not long ago, the Obama administration had pressured and convinced the Israelis to hold off on hitting the Iranian nuclear facilities in exchange for its assurance strong sanctions against Tehran would be forthcoming. Then the President abandoned that promise. Then it came out that the IAEA would not even forward its recommendations to support sanctions until July. And Jerusalem was left hanging. In his latest trip to the region, VP Joe Biden let it be known that the US was the senior partner in the alliance and that it was America that would be making all the crucial decision – even when it came to Israel’s survival. It is doubtful that it was a coincidence that the Israeli government announced an expansion of Jewish settlements in East Jerusalem at about the same time.⁷ And for its part, despite American bluster, Israel’s Deputy Foreign Minister Ayalon that only about 4 to 6 weeks were left to practice diplomacy on Iran.⁸ In the meantime, talks with the Palestinians are quietly going forward again. The US remains committed to the establishment of a Palestinian state. The creation of that entity seems to be a necessary condition that must be put in place before the next prophetic war can take place. That should be what this newsletter has referred to as the Psalms 83 War that will pit Israel against the inner ring of its closest Arab neighbors.

The Blow Up – Sooo...back to VP Biden’s trip to Jerusalem to Jerusalem where he tried to pressure the Israelis into peace on the American model. Coincidentally...ahem...when he arrives, - Israel announces that they’re going to start rebuilding in East Jerusalem – just the area that the Americans want to give to the Palestinians for their capital. Insult taken! Netanyahu says it’s out of his control. Then backtracks and apologizes for the timing of the announcement and tries to make nice with the US. American officials spew condemnations on the Israelis for the move. But just when the thing is about to die down, and Netanyahu and Biden are tentatively making up – Secretary of State Hillary Clinton enters the fray. She calls the Israeli Prime Minister with a list of demands; - an ultimatum if you will. *Stop the settlement building and head to the peace table.* And there is to be a lot on that table. Reports suggest that Washington wants the Prime Minister to release hundreds of Palestinian terrorists – as a goodwill gesture of course. Then they’re to turn more

territory over to Palestinian control. As for talks themselves, the White House wants these to be the real deal with all the big issues discussed. These are to include; the status of Jerusalem, final borders and the Palestinian refugee issue or what is known as the right of return. As for Netanyahu's reaction: Despite the belief he will give in, Bibi says the building will go on. Some very substantive talks over the final status of the Palestinian issue are about to begin.^{9 10 11 12 13}

Where It's Headed - So it is likely that someday soon, a Palestinian state will be created; - at least on paper. It will be little more than an empty gesture. Isaiah 34:12 tells us **"They shall call its nobles to the kingdom, But none shall be there, and all its princes shall be nothing."** Perhaps our concern though, should be about America's actions in the meantime. In opposing the Israel that God has ordained, we are defying the wishes of our Creator. Genesis 12:3 gives a clear indication of God's heart in the matter as it prescribes blessings and curses according to how we treat His people. **"I will bless those that bless you, And I will curse him that curses you."** As to Jerusalem itself, it is special to God's heart. Even our Savior lamented its fate. (Luke 13:34) God's word tells us that one day the whole world will concern itself with and turn against that city and the Jews. As a sign of things come, the parliament of the European Union passed a resolution in support of the Goldstone Report which accuses Israel of war crimes in the operations in Gaza last winter. That's the fight in which Israel's opponents – Hamas - used children as human shields as they set up command posts and launched rockets from over 100 sites located at mosques and hospitals. And so it shall go.¹⁴ **"Behold, I will make Jerusalem a cup of drunkenness to all the surrounding peoples, when they lay siege against Judah and Jerusalem. And it shall happen in that day that I will make Jerusalem a very heavy stone for all peoples; all who would heave it away will surely be cut in pieces, though all nations of the earth are gathered against it."** (Zechariah 12:2-3)

IN THE VATICAN: THE CANCER GROWS

Last week we covered the charges by Rome's top exorcist Fr Gabriele Amorth, that Satanism is rife in the Catholic Church, including the Vatican, even among "priests, Monsignors and also cardinals." These claims come at an interesting time, in that the pedophilia and abuse charges are rampant once again. In Ireland, over 15,000 have been filed against priests. In Dublin about 170 priests have been implicated. In Germany over a hundred victims have come against Jesuit teachers and another 60 against parish clergy. You can toss in scandals in Austria and the Netherlands for good measure. The accumulating trouble – which really revolves around the Church's reaction to the charges – could taint even Pope Benedict. While a cardinal back in 2001, the current pope wrote a directive for the Vatican ordering that abuse cases be kept confidential. He's since been criticized for instituting a "wall of silence". But according to the AP, the Irish bishops is one group that interpreted that document as instructing them not to go to the authorities. And the Pope's brother Georg Ratzinger has been implicated himself in abuse charges occurring during the 30 years that he ran the Regensburger Domspatzen Boys Choir. Then there's the new charges being filed against the secretive and ultra-conservative Legion of Christ. Its founder, Rev Marcial Deglillado was a longtime confidant of the late Pope John Paul, has been described by one researcher as "a sexual criminal of epic proportions." Vatican exorcist Father Amorth ties it all in to the satanic, which had "infiltrated the Vatican corridors." He tells us, "All evil is due to the intervention of the Devil, including paedophilia."^{15 16 17 18 19 20}

YADAS

THOSE CRAZY NORTH KOREANS – As allies South Korea and the US began their annual defensive drill, North Korea has warned that it is ready to "blow up the citadel of the aggressors." Yeah, that's the usual crazy talk that comes out of Pyongyang. It is also part of the plan for the enthronement of a New Age Christ and the establishment of a New World Order in the early years of this century, as revealed in Peter Lemesurier's 1981 book, *The Armageddon Script*. Among other things, the plan calls for three wars to bring this about; - between Israel and her Arab neighbors, on the Korean Peninsula and when the US is too busy to react effectively, - between China and Taiwan. Here's the quote from the Armageddon Script. "A hair-raising confrontation in Korea, may toward the end of the period, threaten man's very survival." Take it for what its worth.^{21 22}

BIG BROTHERISM ON THE MARCH – A new bill introduced by Senators McCain & Lieberman would empower the US military to arrest American citizens, and hold them indefinitely, based on suspicious activities alone.²³ Not to be outdone, Senators Schumer and Graham are pushing a biometric ID card with embedded info that would be necessary to show in order to work legally in this country.²⁴ This could be seen as a step on the way to ID's through implantable microchips. Recent polls in Germany indicate that about a quarter of the population there is ready to accept the notion of microchip implants.²⁵
