Issue #320

CRISIS ON THE PENINSULA

In 1981, Peter Lemesurier came out with his book, *The Armageddon Script*. In it, he revealed the Illuminati plan to create the worldwide chaos that would allow them to convince a panicked world to accept a One World Government. Lemesurier suggests a plan that would engineer the manipulation of events to mimic even Biblical prophecy to create a New Age Christ that they would have lead that government. [*Sounds crazy, I know. But follow with me.*] Near the end of the book the author breaks it down for us. He spells out the plan, talking about an Arab-Israeli war, terror attacks against Europe and the US, an economic crash, increased earthquake activity (that's happening now) and even a faked alien landing. All of this is calibrated to usher in the 'created' New Age Christ – who poses as the Jewish Messiah, Mohammed and Buddha - rolled into one. Oh yeah, there's one other thing. The second item that Lemesurier mentioned in his Antichrist Plan was a Nuclear Crisis on the Korean Peninsula. Here's the quote: "*A hair raising nuclear confrontation in Korea may, towards the end of the period, threaten man's very survival.*"¹ That brings us to now.

As this newsletter was going to press North Korea had precipitated such a crisis. Here's the short of it. First: The set up! North Korea was just discovered to have renewed its nuclear ambitions – (actually, they never abandoned them.) In fact they were bragging about how they had 2,000 centrifuges in place for a brand new reactor. (Now, they've conducted at least 2 nuclear weapons tests in the recent past. However they were supposed to have abandoned their nuclear building program as per agreement. Au contraire!) So fast forward a couple of days to Tuesday, November 22nd. South Korea was engaging in its annual naval maneuvers – which are, every year, objected to by the North Koreans. This year, Pyongyang, (the North) went a little farther. They fired dozens of live artillery rounds at a populated South Korean island, killing 2 marines and wounding 17 soldiers and 3 civilians. Seoul, (the South), returned fire and scrambled jets, going on high alert. China and Russia immediately called for meetings. The UN Security Council was gearing up for a confab on the subject. The Japanese called for retaliation. The Communist North threatened additional "merciless" attacks. The South talked about hitting North Korean missile bases and warned of "enormous retaliation". This latest incident follows the North's sinking of a South Korean sub that took the lives of 40 sailors.^{2 3 4 5 6 7 8 9 10}

In relating all of this information, I'm in no way saying that this is all – *necessarily* - part of that New Age / Illuminati plan to create the Antichrist that was revealed three decades ago in *The Armageddon Script*. But I do find it interesting that so much of what was called for has been already – or is moving toward fulfillment. An Arab-Israeli war of enormous proportions is only one incident away. With the ratcheting up of tensions in North Asia, the same can be said of the Korean situation. [And we know that they have nukes and that they are likely capable of reaching at least the West Coast of the United States.] UFO sightings are exploding across the globe. The world economy is teetering on the brink. Printing press money and excessive debt is exerting enormous pressure on the dollar, as well as other world currencies, bringing chaos in its wake. The evidence is in. This is, we must remember, an attempt at staging a production in order to control the end result. His timing may have been a bit off – a little too optimistic perhaps. But as Peter Lemesurier wrote: "*Their script is now written,the subterranean orchestra is already tuning up....Soon it will be time for them to come on stage, ready for the curtain to rise. The time for action will have come.*"¹¹ Well that's from OI' PL. But here's what the Most High God has to say. "**Why do the nations rage, And the people plot a vain thing? The kings of the earth set themselves, And the rulers take counsel together, Against the LORD and against His Anointed, saying, 'Let us break Their bonds in pieces And cast away Their cords from us.'** He who sits in the heavens shall laugh; The Lord shall hold them in derision. Then He shall speak to them in His wrath." (Psalm 2:1-5) How great is our God!!!

AS IN THE DAYS OF NOAH – PART VII

Now the last time out we looked at the history of apparent otherworldly contact – beginning with Genesis 6. It took in the cross breeding between extra-dimensional beings (fallen angels) with humankind. We quickly surveyed the historical

records found in ancient civilizations. Finally we began to draw the connection with UFO's & extraterrestrial beings. Could these be one and the same with the ancient pagan gods and goddesses? Finally we took a cursory look at the modern evidence for contact. In September of 2010, the UN either did – or did not – arrange for a “space ambassador... to act as the first point of contact for aliens trying to communicate with Earth.”^{12 13} The head of the Vatican Observatory believes that the existence of extraterrestrials is a very real possibility and that they would be our brothers.¹⁴ The Catholic Church seems to be positioning itself for what is commonly called ‘alien disclosure’; - an announcement to the world that they exist. The Honolulu Examiner reported in 2009: “The Vatican’s new openness on extraterrestrial life is consistent with reports of secret discussions held at the United Nations that began in February 2008. The Vatican’s permanent representative to the UN, Archbishop Celestino Migliore, was reported to have attended along with a number of other prominent government officials to discuss increased UFO sightings and the implications of extraterrestrial visitation.”¹⁵ People are taking this stuff seriously indeed. With all that as background we’ll take a look now at the nature of those contacts and the message that these putative visitors are bringing.

There’s Something Happening Here

It’s interesting, this strange phenomena that we are seeing. What we are witnessing is something that seems to tie together across dimensional lines, - that defies the laws of physics, - that presents intelligent beings that are not quite human, (but that can manifest themselves as ‘humanoid’); - a parallel universe, as it were. This phenomena has been experienced by cultures ancient and modern, - and contacts seem to be increasing. The beings that have presented themselves have carried a consistent message displaying two significant characteristics:

- 1) Interest in reproduction with humankind
- 2) Their communications have religious content

(1) ‘She’s Having My Baby’

“The Nephilim were on the earth in those days—and also afterward—when the sons of God went to the daughters of men and had children by them.” (Genesis 6:4)

As we have seen, the records of all ancient cultures tell us of ‘alien beings’ or ‘gods’ cross-breeding with human women to produce strange hybrid beings. That’s the story behind the origin of the Nephilim of Genesis 6 in the passage above. The Bible goes on to describe those offspring of fallen angels and mankind as “mighty men”, paralleling the writings of other ancient societies.

Now the experience of those who claim contact with alien beings has shown striking correlation with each other, - as well as a strong similarity to what we know of the ancient experience. There is the sense of lost time, - sexual experimentation, - and an interest in “reproductive procedures”. Many are told that sperm or eggs are being harvested to produce hybrids.¹⁶ Are these people psychotic nutcases? According to researchers, ‘Not so’. Profiles suggest no patterns of mental illness. Very often their claims of medical procedures are accompanied by supporting physical evidence such as lesions and other physical marks. There does seem to be however a common thread among those claiming alien contact: A strong interest in the paranormal, or the Eastern & New Age religions.¹⁷

Their common stories are disturbing to say the least. They tell of contact with what has become known as Greys,- a class of beings, - grayish in color, with exaggerated, inverted egg-shaped heads. These aliens abduct their ‘victims’, - with what is seen as malevolent intent, - while conducting strange, invasive, radical and what can be painful physical procedures. Many women report being impregnated with the hybrid embryo which is later removed. Von Daniken, of *Chariots of the Gods* fame, believes that the ancient artwork depicting animals with the combined characteristics of ancient species, (humans with falcon heads etc), was evidence of cross-breeding experiments being conducted long ago.¹⁸ Missler & Eastman conclude that the aim of all this reproductive activity is to produce “interdimensional beings”. Dr John E Mack, a professor of psychology at Harvard medical school believes that abductees are having ‘real’ experiences and that the alien beings are operating with an agenda to create a race of hybrids; - a combination of the spirit and material worlds.^{19 20 21}

If we return to the story in Genesis 6, we see that in the past, - around about the time of Noah, - fallen angels did mate with women to create mutant, hybrid offspring. They seem to have done so with the express purpose of interfering with God’s promise found in Genesis 3:15, that He would provide a Savior, from the ‘Seed of the woman, - who would gain the ultimate victory over Satan and his demons, rescuing man from his dilemma of sin. **“And I will put enmity Between you and the woman, And between your seed and her Seed; He shall bruise your head, And you shall bruise His heel.”** In the words of Tom Horn, Satan and his minions “performed alterations of human DNA to intercept, pollute, and cut off the birth line of the Messiah”. Scholar IDE Thomas, in his book *The Omega Conspiracy* credibly advances the notion that this hybrid race of Nephilim was in fact engineered to oppose and exterminate the Jewish race. The Bible

records whole races of giants that the wandering Jews had to face in order to occupy the Promised Land. Interestingly, it is these people that God orders completely destroyed by the Israelites. Thomas too advances the theory that the explosion of UFO sightings and reported abductions are the signs of the prophesied coming of Satan's minions at the End of the Age.^{22 23} **“And as it was in the days of Noah, so shall it be also in the days of the son of Man”**, says Luke 17:26

Based on Genesis 1:20, ancient Hebrew tradition tells us that these Nephilim were like **“birds which fly on the earth”**, and yet like God's angels, - could mutate in such a way as to take on the form of men. It is believed that they made their entrance to the earth through a 'portal' on Mount Hermon. The apocryphal but historically enlightening Book of Enoch as well as the Book of Jubilees both confirm Hermon as the point of descent for the Fallen Angels as they attempted to corrupt and “devour” the human race. Interestingly, Mount Hermon became the center of Baal worship, and the worship of angels, - all with their practices of child sacrifice. Today, this area remains a central area of opposition to Israel as it is the home of Hezbollah and Syrian forces. Now it was this whole contamination of the human race that led God to send the Flood to destroy humankind in the first place. It seems the contamination was almost universal. Noah and his family may have been the only exceptions. Genesis 6:9 tells us that **“Noah was a just man, perfect in his generations”**. The Flood did its work, - yet did not put an end to all that demonic hybrid breeding. In Genesis 6:4 we find that the Nephilim **“were on the earth in those days, and also afterward”**.^{24 25}

(2) Religious Aliens

Now much of the original knowledge given by God to mankind was lost in the aftermath of the Flood. That destruction also cut the ties of the now new generation of Nephilim (**“and afterwards”** remember), with their progenitors. Tom Horn believes that the building of the Tower of Babel was partly an attempt to reconnect with their 'gods'. According to ancient legend, the builder Nimrod was rumored to be a hybrid being himself. This was an attempt to cut the True God out of the equation and set up a religion of man. This “sacred knowledge” of the ancients however did not die out with scattering of the peoples across the earth when God put an end to Tower of Babel. It is preserved in the “illuminated fraternal orders” of the occult. Occult master, Benjamin Crème openly revealed that “...the secret heart of the occult mysteries” are part of Freemasonry's tools. Crème and New Age devotees like Many P Hall transparently and proudly worked for the coming of the Second Illumined Messiah. He will be of a “divine race”; - and “a King with supernatural powers”, say they.²⁶ And so, many in the New Age movement have revealed the expected alien origin of this New Messiah.

So just what are they saying? These aliens leave a surprisingly consistent religious message in their communications with those who claim to have had contact with them. It is the same Message as the New Age, and Eastern Religions, - with a few little twists. This is the message of the ET's:

- Mankind was not created by God. We are instead products of the Alien culture.
- The Bible is wrong. (They specifically take on God's Word – but no other religious writings.)
- They claim that the Hebrew word Elohim found in Genesis 1, refers not the Trinitarian nature of God, - but rather the Alien “Skybeings”. (In actuality, Elohim has a sense of ‘plural oneness’ about it), -
- Mankind was “created” by Alien genetic engineering.
- All religions are equal. – All lead to the same place.
- We should expect the soon coming of the New Age Christ.
- We are all God.
- Jesus didn't ascend into heaven. He was levitated by Alien spacecraft. (Rod Steiger goes so far as to claim that Jesus was trained on a spaceship. [OK, maybe Rod's not right...])

All of this is a mirror of New Age thought. And interestingly again, like the New Age and like the occult, - ET's speak to their contactees through channeling. *The earth is a living, sentient, spiritual being. There is no sin, - just choices.* They believe in evolution, Avatars (demon spirits), the Christ consciousness and the coming New Age. Essential teachings include; Earth worship, global governance, and one world religion. There is a direct correlation to the teachings of Madame Blavatsky, Alice Bailey, HG Wells and other such occultic spiritual luminaries.²⁷ This is blatant Satanism with only a thin veneer to disguise it.

They are coming soon, - say they, - to reveal themselves to mankind. They will present themselves as our saviors. As discussed earlier, extraterrestrials landing on the earth is part of the revealed Illuminati plan to bring forth this New Age Christ.²⁸ Should this happen it will be a major part of the deception that is to come at the End of the Age. Recall the warning we looked at in Luke 21:26, of **“men's hearts failing them from fear and the expectation of those things which are coming on the earth”**. An alien landing, - real or staged, - will shake the faith of the world. Missler & Eastman believe that such an event will split human society as many Christians go into spiritual shock.²⁹

The great temptation for Christians will be to believe these voices denying the veracity of Scripture. 1 Timothy 4:1-3 reads: “**Now the Spirit expressly says that in latter times some will depart from the faith, giving heed to deceiving spirits and doctrines of demons**”. That is just what will be offered; - the truth-denying lies of the New Age. Knowing the true identity of the Alien presence: - We will know too that these “**doctrines**” will truly be coming from the “**deceiving spirits**” of Satan and minions. Then there is the passage 2 Thessalonians 2:3, which Hal Lindsey points out, signals a “climactic event” when the church goes into complete revolt. “**Let no one deceive you by any means; for that Day will not come unless the falling away comes first, and the man of sin is revealed**”. Surely an alien landing could set off events that would fulfill the prophecy of 2 Thessalonians 2:9-10, which describes conditions that will lead to the rise of the Antichrist. “**The coming of the lawless one is according to the working of Satan, with all power, signs, and lying wonders, and with all unrighteous deception among those who perish, because they did not receive the love of the truth, that they might be saved.**”

YADAS

ISRAEL – The Big News according to DEBKA: The US is pressuring Israel to negotiate a border agreement with the Palestinians within 3-months. If no agreement is forthcoming in that time frame, DEBKA says the Obama administration is ready to come up with their own border solution. These will reflect very closely those being demanded by the Palestinians.³⁰ But actions by PM Netanyahu’s government will make a peace deal harder to come by. The Prime Minister supports in principal a bill that has been introduced that would require the approval of 80 of Israel’s 120 Knesset members to turn over East Jerusalem or the Golan Heights to the Arabs.³¹ Elsewhere outgoing Israeli intel chief told the Knesset “Tel Aviv will be a front line in the next conflict”, as both Syria and Hamas have acquired thousands of missiles with advanced guidance systems. The Syrian weapons are equipped with chemical warheads. He told the lawmakers that Iran has enough uranium to build a nuclear bomb right now.^{32 33}

BIG BROTHER – The EU is taking over Britain. Europol, the European police force has complete diplomatic immunity. There is something called the European Gendarmerie Force, a paramilitary force operates in country. The European Arrest Warrant means that British citizens can be arrested and sent to foreign jails for extended periods of time as they await bail – and then tried in foreign courts. Brits can be convicted in absentia by these foreign courts for offenses that are not crimes in the UK. The EU’s Data Retention Directive requires telecommunications firms to track every phone call, e-mail and text message as well as all web visits for at least 6 months. That’s crazy scary if you ask me.³⁴

Across the pond in America, the government continues to gear up for a military response to any domestic emergency. Investigative work has revealed some of the details of a “Secret Pentagon plan” for “Civil Disturbance Operations”. Something called “CONPLAN 3502” is in place to deal with “Civil Disturbance Operations” such as riots, “custody and detention”, “warrantless search and seizure”. It sets out specific plans for “military operated detention” centers, operated under FEMA and the Department of Homeland Security.³⁵

DISINTEGRATION – JP Morgan says that with the expansion of the money supply by the Fed, the American dollar will become the world’s “weakest currency”.³⁶ Daniel Amerman points out that despite administration protests to the contrary, the private sector economy of the US – a \$1.3 trillion entity – has effectively collapsed. That will bring the onset of rapid price inflation. The artificial money being created accounts for about 9% of the entire American economy. What we’ve seen already is reflected in the price of commodity futures. The S&P Agricultural Index has “climbed by 30 percent this year, led by corn, wheat, coffee and cotton”. This coming high rate of inflation will hit retirees the hardest, of course. With the US effectively devaluing the dollar, China and Germany are leading the way in “considering countermeasures” that could result in an all out currency war.³⁷ As Senator Judd Gregg (R – NH) put it earlier this month, “The nation is on a course where if we don’t do something about it...we’re Greece. We’re a banana republic.”³⁸

Senator Gregg was referring to the disintegration already felt in parts of Europe. Greece is already effectively under a “European protectorate”, unable to control its own finances. Spain has been forced to cut wages too. And now Ireland is asking for 900 billion euros to stabilize its banking system. As Ambrose Evans-Pritchard puts it, “The entire European Project is now at risk of disintegration, with strategic and economic consequences that are very hard to predict.” There is a fear that a mishandling of the situation could result in the destruction of the European Union. As EU President Herman Van Rompuy puts it: “We’re in a survival crisis.”³⁹ The only solution may be even more centralized control, thereby playing into the hands of the globalists. How convenient!
