THE ENEMY WE FACE – PART II

There's an argument out there that says we face no particular enemy at all. It's pretty popular right now. Another way they put it is by framing it in terms of 'Fundamentalists', especially 'Religious Fundamentalists'. (Yeah, that's the danger.) It's a pretty broad brush that paints homeschoolers, Biblical Christians, Constitutionalists and some segments of the Tea Party in the same stroke as Jihadi, Koran-literalist, Radical Islamists. But that's the argument often being made. Just note, if you would, the contrast in evangelical methodology commanded by the founders of the two religious traditions. Jesus said, "And He said to them, 'Go into all the world and preach the gospel to every creature. He who believes and is baptized will be saved; but he who does not believe will be condemned.'" (Mark 16:15-16) Here then are the words of the Koran, Sura 9:5. "Then, when the sacred months have passed, slay the idolaters wherever ye find them, and take them (captive), and besiege them, and prepare for them each ambush. But if they repent and establish worship and pay the poor-due, then leave their way free. Lo! Allah is Forgiving, Merciful." [Mmmm! So it's basically, 'Convert or die! Yeah, that's morally equivalent.]

BLOODY HANDS

"And the angel of the LORD said unto her, 'Behold, thou art with child and shalt bear a son, and shalt call his name Ishmael; because the LORD hath heard thy affliction. And he will be a wild man; his hand will be against every man, and every man's hand against him; and he shall dwell in the presence of all his brethren.'" (Genesis 16:11-12) (KJV)

Reading from the Israeli intelligence / military website DEBKA, the account came off more as something out of 'The Godfather' – or the true life annals of Mafia history. The meeting had been called by the Iranians in the first week of March in Khartoum. Attending were all the "heads of the national branches of the Muslim Brotherhood across the Arab world." Egypt, where the Brotherhood was founded, was of course represented, as was Jordan, Syria, Tunisia and even the UK. Both the Gaza branch and the Damascus branch of Hamas was represented, the latter headed up by Khaled Meshaal. A plan was put in place. The Hamas part of that plan was for the terror group to "launch multi-casualty terrorist assaults against Israel...to ignite the third Palestinian uprising (infitada)." The first blow in fulfilling that plan was struck on March 11th at the town of Itmar.¹

During the lead up to the event, PA media was ramping up the hate speech, attempting to incite violence against Israelis. A Fatah official even called for turning weapons against the "main enemy", Israel. In recent months it was the so-called moderate Palestinian Authority of Mahmoud Abbas that celebrated the first female Palestinian suicide bomber as a hero – naming a football tournament after her – and paid off money to the family of another suicide bomber. But it was Hamas operatives that executed the horrible crime that has shocked Israel. Hamas members entered the house of the Fogel Family at night. The kids were already in bed. They proceeded to stab to death five of the seven members that were in the home. Father Udi and mother Ruth were murdered. The 10 year old was killed while he was reading in his bed. The three-year-old was stabbed in the heart. They slashed the throat of a three-month-old infant. Two other children escaped notice and a 12 year old girl, was not at home at the time.

So that was Hamas, right? The 'Bad Guy Terrorists' - as opposed to the 'Good Guy Terrorists'? Well, not so much! Immediately after the attack – in the words of World Net Daily, "The Al Aqsa Martyrs Brigades, the 'military wing' of Abbas' Fatah party, at first released a pamphlet taking responsibility for the attack and then quickly retracted the statement." [Guess they forgot that they were supposed to be posing as the 'Good Guy Terrorists' for a moment there.] In the aftermath, Israeli security forces arrested two suspects in the attack. Both were officers. One served in Fatah's Preventive Security Services and the other in General Intelligence. While they had not carried out the killings, they had been involved in "planning and logistics" for the attacks. Now here's the kicker. "Both the Preventative and General Intelligence services of Fatah are armed, trained and funded by the U.S."²

Now Fatah is the group that the United States and the UN and the Quartet are pushing Israel to negotiate with. What's equally amazing is that despite the bad blood between Fatah and Hamas; the two groups are now seemingly cooperating on the destruction of Israel. But its all more than just political. For whatever reasons; and they are layered and complex – the hatred of Israelis and America and the West is driven deep into the souls. Here's Caroline Glick recounting the reaction in the Arab street to the Fogel

family massacre. *“And indeed, the murder of the Fogel children and their parents was greeted with jubilation in Gaza. Carnivals were held in the streets as Hamas members handed out sweets.”*³

But this kind of hate doesn't come out of nowhere. In fact, it is bred in. The hate is preached in Friday services across the Middle East. Look, as crazy as this may sound to the Western mind, in Islam, it is commonly preached and believed that Jews were turned into apes and pigs by Allah. In 2002, “Al-Azhar Sheikh Muhammad Sayyid Tantawi, the highest-ranking cleric in the Sunni Muslim world, called the Jews *‘the enemies of Allah, descendants of apes and pigs.’*” In another example, Saudi Sheik and Imam Abd Al-Rahman Al-Sudayyis, called for the complete annihilation of the Jews, describing them as *“the scum of the human race, the rats of the world, the violators of pacts and agreements, the murderers of the prophets, and the offspring of apes and pigs.”* In fact, Islam teaches this divine transformational punishment – turning Jews into apes and pigs – occurred because they transgressed the word of God. It is taught not only in the Hadith – (the traditions of Mohammed, considered Islam's second holiest book) – but also in the Koran itself. Speaking of *“people of the scripture”* (Sura 5:59), the Koran itself says this: *“Let me tell you who are worse in the sight of GOD: those who are condemned by GOD after incurring His wrath until He made them (as despicable as) monkeys and pigs, and the idol worshippers.”* (Sura 5:60)⁴ Because of this, there is no feeling of guilt in hating anyone who is not of the religion of Allah. It is why, Muslims can blithely – and officially, I might add – pray for the destruction of Jews and Christians. Here's the conclusion of one Islamic cleric's sermon. “O God, destroy the tyrant Jews, for they are within your power. O God, defeat these tyrant Jews.”⁵

This is all confirmed in the way Islam is presented to the public and presented to the children. Back in 2001 the moderator of a program with millions of viewers throughout the Middle East on Al-Jazeera TV, called for the destruction of the Jews, precisely because they were pigs and apes. This call did not come from some uneducated religiously-ignorant zealot, but from a man sporting a PhD, Dr Faisal Al-Qassam. *“The sons of Zion, whom our God described as the sons of apes and pigs, will not be deterred unless there is a real holocaust, that will destroy all of them at once, together with the traitors – those who collaborate with them, the scum of this [Islamic] nation,”* said he.^{6 7} And somehow, this hate of everything non-Muslim is communicated to the children. I watched a 2 year old girl in Muslim dress answer questions, as from a catechism. Here's one exchange. “Who are struck by Allah's wrath?” She answered, “The Jews”.⁸ Then there's the use by Hamas sponsored Al-Aqsa TV of a Mickey Mouse knock-up to teach some of the hateful tenets of Islam. Here's one snappy appeal to the 5 and 6 year olds. The faux Mickey calls for the kids to help build the *“cornerstone for world leadership under Islamic leadership”*, and wants them to join in the struggle. *“We will liberate Al-Aqsa with Allah's will.”* [I know it would be against the teachings of Islam, but they might want to consider utilizing an ‘Annette Funicello’ figure, if they want to get the little boys hearts beating faster for the cause.] In one broadcast a voice rallies the kiddies by offering, *“it is the time of death . . . Jerusalem we are coming.”* Not to be outdone, the Mickey the Pretender offers, *“It is the time of death. We will fight a war.”*⁹ In yet another episode, the show depicts Sheikh Mickey el-Mouse taken down by terrorist Jews.¹⁰

Taken to the next level, Muslim Brotherhood groups such as Hamas, actually encourage suicide bombings by turning perpetrators into heroes and through financial payments to the murderer's families. Al-Qaida goes even farther. It *“actively recruits children to be suicide bombers by having its loyalists hang out at mosques and Islamic schools and offering books, flyers and magazines and occasionally money”*. However they've *“found that Islam is the biggest incentive to convince you to blow up themselves and kill others.”*¹¹

And this radical hate-teach is not limited to the Middle East. It is found in the West too – even in places like Great Britain and the US. In 2008, *“An undercover survey of more than 100 mosques and Islamic schools in America has exposed widespread radicalism, including the alarming finding that 3 in 4 Islamic centers are hotbeds of anti-Western extremism.”* They glorify martyrdom, teach that women can be beaten and seek funds to support jihad.¹² But what drives the hate? That's what we'll be looking into next time.

[As we go to press I have personally learned of an atrocity that you won't likely see reported in the Western press. Through reliable, but private channels, it has come to light that two Christians – converts from Islam – have been beheaded in a Muslim nation of Southeast Asia. (Sorry, In order to protect those still there – and might still be in danger, I cannot be more specific than that.) They had been taking turns preaching at a church meeting. Some local al-Qaeda came in and observed the preaching – became incensed – took out their swords – went up to the platform and lopped off their heads during the meeting. Each of the men left a young wife and child behind.]

CONNECTIONS – PART I

In PART I of this short series, we'll be quickly surveying the prophetic foundations on which we'll build our analysis of current events. Besides the Scriptures, we'll be taking a look at the plans for implementing a New World Order as put forth by New Agers and Illuminists. Yes, they've obliged by periodically revealing their intentions; sometimes in great detail. Understanding the plans of God and the pretensions of men will make it so much easier to see the connections when we examine events occurring around the globe. We'll begin that process in earnest next week.

THE PLANS OF GOD & MEN

“And all the inhabitants of the earth are reputed as nothing: and he doeth according to his will in the army of heaven, and among the inhabitants of the earth: and none can stay his hand, or say unto him, What doest thou?” (Daniel 4:35) (KJV)

Everything is connected! Sometimes it’s a bit hard to define those connections...or if they can be defined; to explain them. But what we’re seeing unfold in – Japan & the Middle East & North Africa – intersects at a very basic level. It all contributes – (*ahem, coincidentally, I’m sure*) – to the coming chaos – and specifically to the advancement of the plan of the Illuminati to create said chaos, in order to install a dictatorship under the New Age Christ. Now, we’ve covered it before, but let’s review again the plan to achieve this New World Order dictatorship. First: This from the book *The Armageddon Script*, by Peter Lemesurier. “*If the Messiah is to appear, then he must be produced*”, says he.¹³ In the book Lemesurier goes on to explain that “they” – (the Illuminati) – openly admit that they intend to falsely ‘fulfill’ biblical prophecy to feed their great deception. He then goes on to give – (and remember this is back in 1981) – a point by point plan to create the chaos that will allow those behind the scenes to manufacturer their New World leader.

- **Arab Israeli War** - Israel wins an annihilating victory.
- **Catastrophic Terror** – Against the US & Europe using WMDs.
- **Nuclear Crisis In Korea** - Lemesurier writes, “A hair raising nuclear confrontation in Korea may, towards the end of the period, threaten man’s very survival.”
- **Taiwan Invasion** - China uses the fact that the U.S. is occupied on two fronts to invade Taiwan, challenging the already stretched American Naval forces in the region.
- **Alien Presence** – Extraterrestrials manifest a presence that leads to the collapse of the religious beliefs of many around the globe. [Artificial or demonic in nature.]
- **Stock Market to Crash**
- **Earthquakes around the world** - Russia, the US and Israel are reported to possess scalar technology, capable of creating earthquakes.
- **The New Age Christ Appears** - He is a man of peace. He claims to be the Jewish Messiah, Jesus, Mohammed and Buddha rolled into one. He shows displays of supernatural power.¹⁴

David Bay of Cutting Edge Ministries gives us this confirming evidence as he quotes Bill Lambert of the New England Theosophical Society. Lambert outlined a plan that included a Palestinian State with Jerusalem under international control – a combined Temple / Church / Mosque for the world’s three great monotheistic religions – an eventual consolidation of the world’s religion, under the then-sitting Pope – and a global political / economic merger. Says Lambert, we can look forward to “*a grand merger of all forces will occur world-wide that will move the world in any desired direction*”. Now some of these things seem light years away. So how will we get there? “The impetus toward this type of settlement is made possible only because of a general fear of war. This fear of war must be maintained until the desired political and religious changes have been instituted”.¹⁵

This is all part of a satanic plan revealed by the occultist, Albert Pike, in an 1871 letter to Giuseppe Mazinni. The letter revealed a Masonic plan to create three world wars. It correctly identified the combatants and political outcomes of World Wars I & II. And this is what it said about the third war. The third war is to pit Islam against Zionism (Israel) and end in their mutual destruction. Other “*nations, once more divided on this issue will be constrained to fight to the point of complete physical, moral, spiritual and economical exhaustion*”. At its end those “*disillusioned with Christianity... will receive the true light through the universal manifestation of the pure doctrine of Lucifer, brought finally out in the public view*”.^{16 17 18}

OK, that – in short – is the plan of the PTB to reach their goal of a New World Order. Now, here’s some of what the Bible says we’re in store for as the Tribulation approaches. As we’ve noted before, the run-up to Christ’s return draws near, Scripture tells us that we will see alliances formed against Israel. First, Psalm 83 specifically names the “*modern equivalents to the nations that today surround Israel: Lebanon, Syria, Jordan, Saudi Arabia, Gaza and Egypt*.” As they come against God’s people, they will take as their motto the words of verse 4. “**Come, and let us cut them off from being a nation, That the name of Israel may be remembered no more.**” The prayer / prophecy of Psalm 83 continues, calling for the complete vanquishing of Israel’s enemies. This disposes of the inner ring of near neighbors – but makes no mention of other Muslim nations in the second ring – such as Iran and Libya. (Supporting Scriptures for the prophetic interpretation of Psalm 83 can be found in Isaiah 17 – which details the future destruction of Damascus – the Book of Obadiah which deals with the fate of the Palestinians.) After this first war, comes a second, precipitated by an invasion of the Land by a coalition of the second group of more distant nations. We quote again from Nathan Jones, writing for Lamb & Lion Ministries. This second alliance is comprised of possibly Russia – and certainly “*Iran, Turkey, Libya, the Sudan and a number of other Islamic nations uniting together to try to destroy Israel and carry off her wealth. God stepping in to defeat this overwhelming army is nothing short of miraculous and would change the face of world politics as we know it.*” Conspicuously missing from this second coalition are the nations of the inner ring of – those mentioned in Psalm 83.¹⁹ It is those very coalitions that we see forming today, right before our eyes. Yes, the revolutionary spirit that has swept across North Africa and the Middle East is driving out tyrants – it is also putting radical Islamists in power – or at least in a position to take power. The Muslim Brotherhood is gaining ground in Egypt and expected to benefit from early elections there. Radical Islam is

the beneficiary of the chaos in the streets. Groups like the Brotherhood and their terrorist offshoots, envision – first a region united under a Caliphate; a unified Islamic government. Out of that will come the fulfillment of Islamic-Last-Days-Prophecy through the coming of the Mahdi or the 12th Imam and the subjection of the entire world to Muslim rule. All of these emerging Arab power centers – as well as the Iranians, (who are Persians not Arabs), are united in one cause; the destruction of Israel. **“Let us cut them off from being a nation.”** Now this unfolding chaos actually plays into the hands of those that await the Mahdi – for he is to come out of chaos. It is a belief among certain Islamic sects that true followers of Allah can contribute to the timing of the Mahdi’s appearance by fomenting the chaos. That has been the declared intent of Iran’s President Ahmadinejad. Thus we see evidence that it was Iran that was behind the slaughter of Jewish civilians, children included, in the settlements – and behind the barrage of rockets that struck Israel this past week. It may have been Hamas that fired the weapons – but it was Iran that pulled the strings.²⁰

Another group whose agenda benefits from the general chaos is the Illuminati, through their globalist groups such as the Bilderbergers and the Trilateral Commission etc. The increased tension in the Middle East promotes rising prices for oil – and eventually food – increasing their profits and control – and the willingness of the world’s people to surrender to increasing global governance.²¹ Developments along that line speak to the fulfillment of some Biblical prophecies that we’ve not mentioned yet in this article; specifically those concerning the emergence of a Revived Roman Empire – from whence the Antichrist appears to come. Now, this New Rome may just be part of a worldwide coalition of super-nations. That too is part of the revealed globalist plan – specifically coming out of The Club of Rome.

The idea of a Revived Rome is spelled out quite clearly in Daniel 2 – where it is the final world empire; and again in Daniel 7, where it shows up as the fourth kingdom; the one that will be on the earth when Jesus comes back. **“The fourth beast shall be A fourth kingdom on earth, Which shall be different from all other kingdoms, And shall devour the whole earth, Trample it and break it in pieces.”** (Daniel 7:23) And then, two chapters later, it describes how the Antichrist – the **“prince who is to come”** will **“confirm a covenant with many for one week; But in the middle of the week he shall bring an end to sacrifice and offering. And on the wing of abominations shall be one who makes desolate, even until the consummation, which is determined, is poured out on the desolate.”** (Daniel 9:26 & 27)

So in summary: Here’s what we’re looking at with all of this. Bible prophecy tells us that in the last days, a kingdom will arise that will control the entire world under a False Messiah. That’s exactly what the Illuminati have told us have planned. It will come out of a time of chaos like no other before it. That’s what the Illuminati are working for; controlled chaos. (It is worthy to note here again, that many Muslims that look for the coming of the Mahdi – such as Ahmadinejad of Iran – are working toward the same end.) The Bible says that the coming Global Government will arise out of ten kingdoms that do not yet exist in their final form. **“And the ten horns which thou sawest are ten kings, which have received no kingdom as yet; but receive power as kings one hour with the beast. These have one mind, and shall give their power and strength unto the beast.”** (Daniel 17:12-13) (KJV) Again, that is exactly what the Illuminati has in mind. The creation of regional power centers was foreseen and promoted by the Club of Rome as far back as 1973 when they released a report as part of the *Strategy for Survival Project*. Here’s the description given by David Rivera in his 1994 book, *Final Warning*. *“This revealed the Club’s goal of dividing the world into ten political/economic regions... which would unite the entire world under a single form of government. These regions are: North America, Western Europe, Eastern Europe, Japan, Rest of Developed World, Latin America, Middle East, Rest of Africa, South and Southeast Asia, and China.”* The report itself read, *“The solution of these crises can be developed only in a global context with full and explicit recognition of the emerging world system and on a long-term basis. This would necessitate, among other changes, a new world economic order and a global resources allocation system.”*²² And again the Bible tells us that this final World Government under the Antichrist / World Dictator will rule over the political as well as the economic and even religious spheres.

Now we’ve already seen the establishment of the European Union. It is moving toward total integration and statehood. A North American Union is surreptitiously being plotted and worked toward. Farther along than that are the South American Union and an African Union. And now, under the auspices of President Sarkozy of France, a Mediterranean Union is being built. The West would have it include the Arab world and Israel. And to achieve that, there would need to be peace between the Arabs and Israelis. And to achieve that, there would need to be a Palestinian state. At the same time, the Islamic nations of North Africa and the Middle East are throwing off long standing dictatorships in favor of governments supported by the ‘Arab Street’. These are fueled by fundamental Islamic movements that work toward the cause of sharia law, and a pan-Islamic Caliphate that would politically unite the region against their common ally, Israel. This – and more – must all be understood when analyzing all that is going on in the world. There are Forces working toward the New World Order, each with their own spin, their own agenda. Sometimes *it is* hard to keep track. But if you want to get a feel for what’s really going on; it’s necessary to refer to the templates both that of the enemy...and even more importantly, the one God gives us in His Word. With PART I as a background, next time we’ll begin to break down the global situation – always looking for those prophetic connections.
