### ALIGNING FORCES

OK! Here's something that slapped me in the head when I looked at the news last Wednesday, October 5<sup>th</sup>. There is a crisis developing in the Middle East that could set the whole region on fire. And the way it's developing; it's lining right up with Biblical prophecy. First: The essential facts.

- From World Net Daily: "*NATO troops are training in Turkey for a Turkish-led NATO invasion of Syria.*"<sup>1</sup> At least that's the claim of Syrian officials. Turkey is holding military exercises on the Syrian border.
- NATO and Turkey specifically, have warned the President Assad of Syria to desist from his brutal and bloody repression of Syrians protesting his regime.<sup>2</sup> Nearly three thousand have been killed in the protests so far. Yet thousands more have taken to the streets of Damascus to show support for the cause of Syria's President Hafaz Assad.<sup>3</sup>
- To hold off an attack by the Western Powers – (the US & Europe States along with Turkey) – Syria has threatened to barrage Tel Aviv, Israel with missiles from several fronts. Russia recently sold the Syrians a large cache of Iskander ballistic missiles. The Syrian President warned: "*If a crazy measure is taken against Damascus, I will need not more than 6 hours to transfer hundreds of rockets and missiles to the Golan Heights to fire them at Tel Aviv.*"<sup>4</sup>
- Israel, in turn, has warned Syria that if even one rocket hits Tel Aviv, Damascus will be punished. DEBKA reports that Damascus would be "*the first to pay the price, and if the missile offensive persists, one Syrian town after another will be destroyed.*"<sup>5</sup>
- Biblical prophecy clearly warns of the coming destruction of Damascus. Here's the prophecy. "**The burden against Damascus. Behold, Damascus will cease from being a city, And it will be a ruinous heap....The nations will rush like the rushing of many waters; But God will rebuke them and they will flee far away, And be chased like the chaff of the mountains before the wind, Like a rolling thing before the whirlwind. Then behold, at eventide, trouble! And before the morning, he is no more. This is the portion of those who plunder us, And the lot of those who rob us.**" (Isaiah 17:1 & 13-14)
- Syria claims that Hezbollah – (housed in Lebanon) – and Iran – will both join Syria in a coordinated assault involving thousands of missiles against Tel Aviv, the former Israeli capital. According to President Assad, Hezbollah would join the attack within 3 hours of a Western attack against Syria. And "*in the second three hours, Iran will attack US warships in the Persian Gulf and the US and European interests will be targeted simultaneously.*"<sup>6</sup>
- The Palestinian terror groups Hamas and Islamic Jihad would join in the assault from Gaza.
- Israel responded by warning that it would strike back at Lebanon. DEBKA says that the Israeli government has warned that, in the event of attack by Hezbollah against Tel Aviv, the IDF would target "*not only Beirut but all of Lebanon would go up in flames.*"<sup>7</sup>

- According to the New York Times, the US has finally made good on its long-time promise to deliver bunker buster bombs to Israel. These would be needed for any attack against Iran's hardened nuclear facilities.<sup>8</sup> Mmmm! Interesting that these would just be arriving at this very time when....
- According to some sources, Israel may be getting ready to finally pull the trigger on the Iranian nuclear weapons program. Israeli Prime Minister told interviewer Charlie Rose on September 26<sup>th</sup>, that "*time was short*" before Iran gets the bomb. Even analysts like the left wing Ray McGovern feel that Israel may feel compelled to act now or possibly face an Obama presidency strengthened by a second term election that would close the door of opportunity to act.<sup>9</sup>
- With the exception of the involvement of Iran: The geopolitical situation in the region is setting up according to the outlines of the Psalm 83 prophecy. It is there that Scripture lays out a very precise blueprint; naming the exact nations that will come against Israel in the Last Days. (We've covered this in detail a few times in the past and will not do so again here. Suffice it to say however, that it describes an alliance comprised of the inner-circle of Israel's nearest neighbors. Iran and Turkey are not to be part of this Psalm 83 Confederacy - but are to be part of the Magog Alliance, described in Chapter 38 of Ezekiel. That group does not come against Israel until this first group is disposed of, by it seems, the Israeli military.) Now as to the composition of the Psalm 83 group: Yes, the Egyptians are not yet on board. But one could easily see how a Muslim Brotherhood-influenced Egypt – (or even a troubled Jordan) - could join the early stages of a general Arab offensive against the Jewish state; especially if it looked like it might finally mean the end of Israel.

And don't fool yourself. That is exactly what the Islamist's want. Psalm 83:2 defines Israel's enemies as God's enemies. The writer then goes on to say: **"They have taken crafty counsel against Your people, And consulted together against Your sheltered ones. They have said, 'Come, and let us cut them off from being a nation, That the name of Israel may be remembered no more.'"** (Psalm 83:3-4) That's exactly what is called for by the Palestinian leadership – both Hamas and Fatah. That is the precise sentiment expressed in the charters of those terror organizations. Iran's Supreme Leader, the Ayatollah Khamenei rejects even the 'Two State Solution'; as unfair as that "Solution" already is to Israel. *"Any plan that seeks to divide Palestine is totally rejected....The two-state scheme, which has been clad in the self-righteousness of the acceptance of the Palestinian government and membership at the United Nations, is nothing but a capitulation to the demands of the Zionists or the recognition of the Zionist regime Any plan that seeks to divide Palestine is totally rejected on Palestinian land."*<sup>10</sup> All that being said: One could picture a war ...either initiated by or conveniently including an Israeli attack against Iran's atomic infrastructure – in which Iran would step back and let her proxies carry the brunt of the hostilities. (A preemptive Israeli attack could temporarily disable an Iranian response.) That's all it would take to fulfill the Psalm 83 prophecy.

### Context

Let's start by putting the current facts into some sort of a historical context. We'll begin with the **Long Term Plan** - as revealed by those that would wish to destroy the current World Order and replace it with one of their own making. Three World Wars were the exact revealed plan of the Masonic hierarchy, and the details were laid out more than a century ago. The plan was originally revealed by one of the darkest and most important Mason's of all time, Albert Pike. He was a Confederate General, the Grand Commander of North American Freemasonry and a founding leader of the Ku Klux Klan. With Prime Minister Palmerston of England, Italian revolutionary Giuseppe Mazzini and Germany's Chancellor Otto von Bismarck, he worked to impose the satanic Palladian Rite on all Masonry. He was reputed to be in contact with Lucifer himself. In 1871 he wrote the now famous *Morals and Dogma*, laying out the rules and purposes of Masonry. *"Every Masonic lodge is a temple of religion"* whose purposes is to *"conceal the truth"* with *"false interpretations"* for the lower 29 degrees of the lodge. That truth is that *"God is, as man conceives him, the reflected image of man himself."* His god and that of the Masons was not the God of the Bible, but Satan himself; - *"Lucifer, the Light Bearer! Strange and mysterious name to give to the Spirit of Darkness! Lucifer, the Son of the Morning! Is it he who bears the Light...Doubt it not!"*<sup>11</sup> In *Morals and Dogma*, Pike calls Satan *"he who bears the light"* and refers to their ultimate goal, - the One World Government; - as the *"Holy Empire"*.<sup>12</sup> Scripture itself bears witness that this will be the very point of deception. 2Corinthians 11:14 tells us: **"For Satan himself transforms himself into an angel of light."**

It was the purpose of the Masons, Pike believed, to foment war and conflict until the coming of the ‘One’. Mazzini also was an adept in the occult. He became the man behind the European revolutionary movement, taking control of the powerful Alta Vendita and the Carbonari, whose goal was the complete destruction of Christ’s Church. Now Pike was his partner in these occultic plans to keep the masses both in and out of Masonry in ignorance. To this end, Pike later instituted a super-rite called the New and Reformed Palladian Rite, to act as the guiding force for all the brotherhood. One writer described it thus: “*Palladianism is the cult of Satan in the inner shrines of a rite superimposed on all the rites. It is a cult, a religion*”.<sup>13</sup> In a letter to Giuseppe Mazzini, dated August 15, 1871, Pike described a demonic vision for three world wars that would lead to the establishment of the One World Order. This letter was for a time in the British Museum in London where it was copied by Canadian Naval officer, William Guy Carr. Here is a summary of its details:

- **War #1** - was to be fought to bring down the Russian Czars and “*weaken the religions*”. It was to start as a conflict between the German and British Empires. “*At the end of the war, Communism will be built and used in order to destroy the other governments*”. That is exactly what happened.
- **War #2** - would be fought between “*Fascists and the political Zionists*”. The world was to emerge from that war with a Jewish State in Palestine and worldwide Communism able to serve as a foil to the ‘Christian’ West. Russia was to become the master of Europe. In the event, they got the eastern half of it. It’s interesting to note that at the end of the Second World War, the Allies, the US and the UK, had chances to advance more quickly, taking control of more of that continent. Instead they actually chose not to do so – and slowed down their advance. This, much to the chagrin of General Patton at the time. Not in on the fix, he was convinced that the Russians were enemies of the US even while we fought the Germans together. Now at the Yalta Conference, and confirmed again at Potsdam, much of Eastern Europe was turned over to the control of the Soviets. This American surrender of whole peoples to Communist dictatorship can only make sense if we factor in the Masonic / Occult plan which spawned it. All three of the leaders at Yalta, Roosevelt, Churchill and Stalin were Masons. So again, what the letter planned, is exactly what happened.
- **War #3** – is to be fought to pit Islam against Zionism (Israel) and end in their mutual destruction. Other “*nations, once more divided on this issue will be constrained to fight to the point of complete physical, moral, spiritual and economical exhaustion*”. At its end those “*disillusioned with Christianity... will receive the true light through the universal manifestation of the pure doctrine of Lucifer, brought finally out in the public view*”.<sup>14 15 16</sup>
- Now here’s the **Medium Term Plan**. Writing from an Illuminati perspective Peter Lemesurier wrote openly in his 1981 book, *The Armageddon Script*, that the New Age Christ or Antichrist, would arise following a series of man-produced actions designed to create the chaos necessary to bring him to power. It would be this manufactured chaos that would cause the people of the world to look for a savior and be willing to sacrifice their freedoms to achieve a sense of safety and security. New Age writers that this general sense of fear and instability be maintained to bring in this New Age. In that he is mirroring the words of the Apostle Paul to the Church at Thessalonica. “**For you yourselves know perfectly that the day of the Lord so comes as a thief in the night. For when they say, ‘Peace and safety!’ then sudden destruction comes upon them, as labor pains upon a pregnant woman. And they shall not escape.**” (1Thessalonians 5:2-3)
- Finally there’s the **Near Term Context**. This is perhaps a bit more speculative in nature. It was not quite 2 years ago that I published a series entitled *Conspiracies & Realities* that began by relating a story told by a retired British military, (involved with the missile program), who was then serving as a senior executive in the City of London – the British equivalent to Wall Street. He told his story to the researcher Bill Ryan. We’ll call him ‘W’ – for witness. Back in 2005 W attended a meeting of Senior Masons in the City of London. As he related it, much of what W heard at that meeting was outlandish beyond belief – especially in the casualness with which some subjects as nuclear war and the slaughter of billions of souls through biological weapons – were referred to by dozens of ‘insiders’ that seemed to be ‘in on’ the plan. These were not the decision makers – for the most part – but were more at the operations level, carrying out decisions that had had long ago been decided. W did say that there were some senior officials present, big-wigs from the Conservative Party, and high ranking members of the Church of England. Because of his position he was assumed to be part of the group that was ‘in the know’. It was the one and only meeting that he attended. According to Ryan, driven by conscience,

W later came forward to warn the world of what he believed was on the near horizon. [I only give this credence because it coincides with previous information found in the public record.]

W asserts that all the preparations are already in place. A major part of that preparation was the financial collapse of October 2008. We've noted here before that the entities that 'made out' when all the government money was being thrown around were those that were 'connected' to the international banking and finance houses throughout the globe. Even when paper losses were being absorbed it only resulted in greater control of the market by the Illuminati-connected bankers. W put it like this: The financial collapse was merely the "centralization of financial resources." It is all part of a scenario being worked over many generations. W confirmed that even World War's I & II were a part of the plan. He said almost offhandedly: "World War One and World War Two were manufactured wars...used as stepping-stones to get to where they are now." Here are Bill Ryan's first three bullet points of his exhaustive interview with W.

1. "There is a planned Third World War, which will be nuclear and biological. Our source believes that this is on track to be initiated within the next 18-24 months. (That would in his timing take us to the end of 2011 or beginning of 2012)
2. It is planned to begin with a strike by Israel on Iran. Either Iran or China will be provoked into a nuclear response. After a brief nuclear exchange, there will be a ceasefire. The world will be thrown into fear and chaos - all carefully engineered.
3. The extreme state of tension will be used to justify heavy social and military controls in all western first world nations. Plans are already in place for that."<sup>17 18 19</sup>

Of course this sounds crazy on its face, but it does fit with things that have been revealed before. If one were to summarize W's message, it would perhaps go like this. There is a plan to engineer the onset of World War III within the very near future. (Remember, this is W's message – not necessarily mine). This plan is to be managed by Masonic forces, which the Illuminati types are using as a vehicle to achieve their 'higher' purposes. Circumstances suggest that there may be much truth in what was said. The point of all this is NOT that "They" can make it happen – (for they can only accomplish what God allows) – but that they have a plan to make it happen. And the appearance of world events makes it appear as if they are engineering events to bring their plans to fruition right now.
