DISCERNING THE TIME: 2012 – PART I

“Whenever you see a cloud rising out of the west, immediately you say, ‘A shower is coming’; and so it is. And when you see the south wind blow, you say, ‘There will be hot weather’; and there is. Hypocrites! You can discern the face of the sky and of the earth, but how is it you do not discern this time?” (Luke 12:54-56)

As the calendar turns and we enter that much-hyped year of 2012, we at ATP believe that it's time to take stock of where we are on the prophetic timeline. Recent developments have advanced conditions – not only toward the fulfillment of Biblical prophecy – but at the same time to the realization of the plans of those that would bring us the advent of the New Age Christ – the Man of Sin – the Antichrist. I say this without equivocation. In the seven-plus years of this newsletter, I have never seen a time when the fulfillment of scriptural prophecy has seemed so imminent! Prophetic trends, which had always loomed in a more distant future now sit on the threshold of fulfillment. To readers of my book – or long time subscribers to this newsletter – the material presented at the beginning of this series will be familiar. But it is necessary to present it again here so that we may evaluate the progress of the ‘Enemy’s’ public plan to impose a New World Order. After presenting the scenario the One World Order Folk have revealed to us – we’ll measure it against what is happening in as close to real time as possible. That’s how this series will try to make sense of much of what is happening in today’s world. It is time – to discern the time!

THE ANTICHRIST PLAN

“Why do the nations rage, And the people plot a vain thing? The kings of the earth set themselves, And the rulers take counsel together, Against the LORD and against His Anointed, saying, ‘Let us break Their bonds in pieces And cast away Their cords from us.’ He who sits in the heavens shall laugh; The Lord shall hold them in derision.” (Psalm 2:1-4)

Man’s rebellion is coming to an end! The Bible tells us that it will not fade softly from the scene. It will end instead in a paroxysm of rage, rebellion and in consequence; judgment. As we’ve often noted here before: This is not only Biblically prophesied: It is also a product of the schemes of men. And though many groups are working in parallel to achieve it, The New World Order is a meticulously planned event. Peter Lemesurier revealed a good deal of the plan when he wrote *The Armageddon Script* back in 1981. Near the end of that work, he revealed the architecture of the plot to create a One World Government under the titular head of a New Age Christ. In his book he lays out in detail just how the Illuminati New World Order types plan to maintain the pressure that will create the conditions necessary for the rise of this Antichrist. We’ll start by laying out the entire plan. Then in this and subsequent issues we’ll tackle the points in detail.

- **Arab Israeli War** - Israel wins an annihilating victory, fulfilling many Biblical prophecies.
- **Catastrophic Terror** – Major terror attacks against the US & Europe using WMDs.
- **Nuclear Crisis In Korea** - Lemesurier writes, “A hair raising nuclear confrontation in Korea may, towards the end of the period, threaten man’s very survival.”
- **Taiwan Invasion** - China uses the fact that the U.S. is occupied on two fronts to invade Taiwan, challenging the already stretched American Naval forces in the region.
- **Alien Presence** – Extraterrestrials manifest a presence that leads to the collapse of the religious beliefs of many around the globe. [Artificial or demonic in nature.] Here are the words of Bill Lambert as quoted by David Bay of Cutting Edge Ministries. “UFO’s and Aliens are part of the New World Order. They are benevolent beings which will aid mankind in attaining the goal of becoming one humanity. They will appear at the proper time to enable mankind to make that Quantum Leap of Collective Consciousness -- when the Anti-Christ appears.”¹ [Henry Kissinger has suggested much the same thing.]

- **Stock Market to Crash** – You can see why.
- **Earthquakes around the world** - (There are numerous credible reports that Russian and U.S. military capabilities include the ability to create earthquakes.)
- **The New Age Christ Appears** - He is a man of peace. He claims to be the Jewish Messiah, Jesus, Mohammed and Buddha rolled into one. He shows displays of supernatural power.²

Now Lemesurier's scenario must be understood against the background of at some other revelations that have come to light. First of all, we need put the demonic prophecy that three world wars would be 'used' to create the Antichrist. That occult vision was unfolded in a letter written by 33rd degree Freemason and Satan worshipper Albert Pike to fellow Mason Giuseppe Mazzini, dated August 15, 1871. In it he describes a detailed demonic vision for three world wars that would lead to the establishment of the One World Order. Two of those wars are already history. The third seems to be taking place exactly according to plan.

The first war was to bring down the Russian Czars and "*weaken the religions*". It was to start as a conflict between the German and British Empires. "*At the end of the war, Communism will be built and used in order to destroy the other governments*". That is exactly what happened. War #2 would be fought between "*Fascists and the political Zionists*". The world was to emerge from that war with a Jewish State in Palestine and worldwide Communism able to serve as a foil to the 'Christian' West. Russia was to become the master of Europe. In the event, they got the eastern half of it. [It's interesting to note that the Allies, the US and the UK, had chances to advance more quickly, taking control of more of that continent, but slowed down and chose not to do so. This was much to the chagrin of General Patton at the time. Not in on the fix, he was convinced that the Russians were enemies of the US even while we fought the Germans together. Now at the Yalta Conference, and confirmed again at Potsdam, much of Eastern Europe was turned over to the control of the Soviets. This American surrender of whole peoples to Communist dictatorship can only make sense if we factor in the Masonic / Occult plan which spawned it. All three of the leaders at Yalta, Roosevelt, Churchill and Stalin were Masons.] So again, what the letter planned is exactly what happened. The third war is to pit Islam against Zionism (Israel) and end in their mutual destruction. Other "*nations, once more divided on this issue will be constrained to fight to the point of complete physical, moral, spiritual and economical exhaustion*". At its end, those "*disillusioned with Christianity... will receive the true light through the universal manifestation of the pure doctrine of Lucifer, brought finally out in the public view*".^{3 4 5}

Another essential piece of the background puzzle to all of this is provided by David Bay of Cutting Edge Ministries who did some groundbreaking work, reporting on a seminar of the New England Theosophical Society that outlined for the attendees the plans to call forth the New Age Messiah. [Theosophy was started you may recall by Madame Helene Petrova Blavatsky, a foundational maven of the New Age Movement.] Bill Lambert, who was the Director and featured speaker at the conference, believes that prophecy is self-fulfilling. "What a person thinks, he creates".⁶ A belief in the concept of Armageddon will lead to massive nuclear war. So too, when enough people believe it, this world will be ready for the New Age Messiah. It is then that he will arrive. This is the same message of The Secret, that New Age drivel that is taking the world by storm. Applying the message, Peter Lemesurier, author of the Armageddon Script agrees. "If the Messiah is to appear, then he must be produced", says he.⁷ Lambert's remarks, when taken in conjunction with other New Age writings, lay out a clear and rather precise blueprint for realizing the coming New World Order.

Whether with full knowledge or not, it is interesting that the specific steps that Lambert spoke of, all dealt on some level, with events that are clearly predicted in Scripture. We'll take as our working template the scenario outlined at the Theosophy seminar. With due props to David Bay of Cutting Edge Ministries, here is the plan that according to Mr Lambert and other Illuminati types, they hoped to have unfolded by about 2010.

1. **The New Jerusalem Covenant Project** – The problem of Palestine will be solved when Jerusalem becomes a truly international city, - for Jew, Christian & Muslim alike. [We have already seen proposals to 'reach some agreement' between Israel and the Palestinians, on East Jerusalem. You'll recall that we've also noted the Vatican's interest in having the Holy City declared an international city, - to operate under the control of the Catholic Church.]
2. **One World Religion Declared** – A concurrent religious celebration for Christians, Muslim & Buddhists will occur. At that time the New World Order Religion will be announced.
3. **A Global Political / Business Conference** – The conference will put arms as well as human and environmental resources and the control of space under control of a global governing body. Now here's David Bay quoting conference speaker Bill

Lambert. Once these religious and political / business meetings have taken place “*a grand merger of all forces will occur world-wide that will move the world in any desired direction*”. [They’re planning the political / religious super kingdom of Antichrist.] That desired direction starts with a combination political / religious settlement in the Middle East. Lambert again: “*Once this religious problem is solved, then the power and influence of the Orthodox Jews in Israel would permanently decline*”. There is a concerted effort to take down the Orthodox Jews.

4. **The New Temple Is Built** – It is a combined Temple / Church / Mosque. [I’ve seen the design for this building on the internet in the past but have not recently been able to locate it.]
5. **War Drives The Plan** – Quoting Mr Lambert: “*The impetus toward this type of settlement is made possible only because of a general fear of war. This fear of war must be maintained until the desired political and religious changes have been instituted*”.⁸ [Having outlined a good portion of the New Age Plan, let’s start to break it down piece by piece.]

An Arab Israeli Conflict: Getting The Green Light ?

It is no surprise to anyone that Israel is more than a little concerned about Iran acquiring the ability to produce home-grown nukes. Just a few of those babies lobbed into Israel could decimate the population, ending a Jewish presence in the Middle East. It was as recently as the early days of December of 2011 that US Defense Secretary Leon Panetta was urging the Israelis to come to terms that Iran would soon become a nuclear power and to “Just get to the damn table,” and start negotiating with the Palestinians.⁹ Netanyahu’s government of course ignored such advise and continued its preparations for a strike against the Iran’s atomic weapons program. For one thing, they formed a Special Forces Command called the Depth Corps, set up to engage in long-range, clandestine, multi-armed operations. Understandably, it has come to be called the “Iran Command”.¹⁰ Still the US continued to advise military strikes only as a ‘last resort’. But then something radically changed.

On December 20th, Panetta signaled the sea change in an interview with CBS. Now he was saying what the Israelis were saying. Tehran would have the bomb in something less than a year. Gone was the subtle language. “*The United States does not want Iran to develop a nuclear weapon. That's a red line for us and that's a red line, obviously, for the Israelis. If we have to do it we will deal with it.*” As DEBKA noted, this implied an “*open door*” to “*joint US-Israeli military action.*”¹¹ This was no ‘misspoken’ communication. The Chairman of the Joint Chief’s, General Martin Dempsey drove the point home the very next day. “*Iran is playing a dangerous game that could ensnare the Middle East, the Middle East and others into conflict and a renewed arms race... My biggest worry is they (the Iranians) will miscalculate our resolve. Any miscalculation could mean that we are drawn into conflict, and that would be a tragedy for the region and the world.*” By having the Pentagon reiterate what the Administration had just said – all within 24 hours – the White House was warning Iran that its warnings about a looming military option were very serious indeed!¹² According to DEBKA, “*Washington sources report that the Islamic Republic crossed the red line President Barack Obama had set.*” According to various intelligence sources: “*Iran has in fact begun putting together components of a nuclear bomb.*” Thus the door has been opened to Israeli action...with US approval!¹³

So we seem closer than ever now to the next round in the Arab-Israeli conflict. And this one could have major prophetic implications. An attack against Iran could set off the entire region. Hezbollah in Lebanon is amassing thousands of rockets. The Syrians are threatening Israel and reportedly arming warheads with biological weapons. Hamas and the PA are competing in sword waving and preparations for strikes against Israel. And now that Egypt is falling into the orbit of radical Islam in the form of the Muslim Brotherhood: Conditions are lining up for the fulfillment of the prophecy contained in Psalm 83. (Only Jordan, seems to remain outside that orbit – but would likely fall should the region become inflamed.) That Scripture details all the nations that will come against the Jewish state in the first round of the final conflict. Its result – a resounding Israeli victory – sets up the future war. That war is found in Ezekiel 38 and involves Iran and other specifically named allies not mentioned in Psalm 83. The near horizon could be rife for those fulfillments.

But that’s not all. At play in all of this is another prophecy, one in which the Prophet Isaiah saw the complete destruction of Damascus. Isaiah 17:1 reads: “**The burden of Damascus. Behold, Damascus is taken away from being a city, and it shall be a ruinous heap.**” (KJV) The October 2011 threats by Syria to launch a missile barrage against Tel Aviv and the arming of some Syrian missiles with warheads carrying bio-weapons, makes this oracle a near term possibility.¹⁴ Especially since Israel, just a few days afterward, promised a response in kind. Israeli officials reportedly warned Syrian dictator Assad that an attack against Tel Aviv would bring – in the words of Israel Today – “*a massive assault against Syria*” as well as Syrian allies Lebanon (Hezbollah) and Gaza (Hamas).¹⁵ One can only speculate that the IDF response would ratchet-up many-fold should Damascus choose to launch WMDs against the Israeli population.

KNOW, PREACH, LIVE THE TRUTH

Rev Kathy Smith

In these days of numerous belief systems, what can you count on; what can you live your life by; what can you pass on of worth to your family, neighbors, and friends? How about passing on the TRUTH. In John chapter 18, after being questioned by Pilot, Jesus states that the reason He was born into this world was to testify and report the truth to all who would give ear to His voice. Pilot then asks the famous question, **“What is Truth?”** Perhaps he really wanted to know, but more than likely he asked indifferently. Being a worldly, and most likely educated, Roman, he’d probably heard numerous schools of thought on the subject. My opinion is this: that Jesus knew Pilot did not expect a definitive answer. How tragic, that standing here before him was the physical manifestation of Absolute Truth [Jn. 14:6], that which is perfect, pure, and unconditional, and then, whoosh, he just let the pivotal moment pass him by.

I believe that this is the attitude of most people today: that there is no absolute truth; everyone should do what seems right in his own eyes, all ‘truth’ being relative. Relative truth is determined by someone or something else and on circumstances. It is dependent, subordinate, conditional. Yeah, that’s what I want to believe!!

So, what is truth? In Jn.14:6 Jesus said **“I am the Way, the Truth, and the Life...”** It is His testimony. John 1:14 tells us that The Word was made flesh... the only begotten of the Father. In other words, Jesus IS the Word of Truth, and all will have life who believe the Truth. King David stated in Psalm 138:2, that he worships God for His Truth, because God honors His Truth above His own Name. That means that God’s Name is mud if He does not keep His Word! I don’t want to waste my time or talent on something that is subordinate or conditional, something that can change because of circumstance. I want to follow something that is absolute: perfect, unconditional, and never changing in essentials. [Heb. 13:8-9]

So, after sincerely searching out and finding the truth, what do we do with it? We preach it! Before ascending to heaven, Jesus gave us the Great Commission, **“Go into all the world and preach the gospel to every creature.”** 2Timothy 4:2 tells us to **“Preach the word; be diligent in season, out of season; reprove, rebuke, exhort with all longsuffering and doctrine.”** We need to speak the truth when it is convenient and when it is not, even to a world that is indifferent, and scornful of what is truth. Believers as well as unbelievers need to constantly hear God’s Word because ‘the church’ is full of differing ideas about what is truth. And because many ‘teachers’ of the Word are sending out mixed messages, half-truths, and non-offending sermons, there will be those in the church who will either believe them, or become confused.

We must cling to the truth of the Word, with all discernment of the Holy Spirit, for in these days not only do cults abound, but false doctrines that are so imperceptible in their subtlety, that even the very elect will be deceived! **“For the time will come when they will not endure sound doctrine; but after their own lusts shall they draw to themselves teachers, having itching ears; And they shall turn away their ears from the truth, and shall be turned unto myths.”** (2 Timothy 4:3-4) In other words, people will not be taught the pure word, where sin and the need for repentance are preached, but will choose preachers with cleverly crafted stories that will pander to their own lusts and lifestyles. This is heresy, or error and immorality being preached as doctrine.

The word truth is mentioned 23 times in this article. In the O.T., truth is mentioned 224 times, and in the N.T., 109 times, 27 of those mentions are in the Gospel of John, and 21 mentions are in the Epistles of John. King David in the Psalms, said of God’s Truth, it: leads, preserves, saves, is a shield, makes wise, is abundant, etc. Here are two Biblical characters that were very close to the heart of God who found truth to be very, very, important!

In John 8:31-32, Jesus tells us that if we hold to His teachings, we are His disciples, and we will know the truth, and the truth will keep us free from error. The Truth will protect you from the lies spoken in the media (books, magazines, TV, movies), by worldly friends and relatives, doctrines of demons (cults), as well as false teachers. Let us shun what is relative, conditional, and questionable all around us, and fully believe and speak out what is absolute, perfect, and fundamental, namely, The Word of Truth. It may just save a life!
