DISCERNING THE TIME: 2012 – PART V

So we have been examining THE ANTICHRIST PLAN as unfolded for us – by the Illuminati – in their own words; in the process, gauging just how close they may be to achieving their ends. It is time to take on perhaps one of their hardest goals to measure – that of setting up a One World Religion.

THE COMING ONE WORLD RELIGION

“And he exercises all the authority of the first beast in his presence, and causes the earth and those who dwell in it to worship the first beast, whose deadly wound was healed.” (Revelation 13:12)

So much of what is occurring in this realm is a product of a long term process put into place by the dark forces of Satan. In past series we catalogued the infiltration of the Church by pagan entities; melding pagan practices into ‘Christian’ forms. Thus were we given purgatory and prayers to saints and Mary as Co-Redemptrix. We haven’t the space here to rehearse those developments again. Not long ago – October of 2011 to be exact – we reviewed briefly the movement by Pope John Paul II to gather the world’s religions together in prayer, at the Italian town of Assisi. Hindus and Witch Doctors and Muslims and assorted pagans joined the pope in these ventures. [To whom would they be praying, I ask?]

You see, all of this is best understood, when we view it in its proper context; as part and parcel of an ages-long-revolt against the authority of the Most High God. Everything that has passed so far is but the preamble to what follows. The rebellion of Nimrod, the infiltration of the Church, Fallen Angels cohabiting with the **“daughters of men”** in Genesis 6, the secret plots of the Illuminati / One Worlders, and the monosyllabic chanting of the New Agers: It’s all about setting up the short-lived triumph of the Beast, - the Antichrist. Let’s pick up again the revelations of Bill Lambert of the House of Theosophy Seminar that serves as one of the sources for this template of the revealed plan to create the Antichrist. According to Mr Lambert: *“At the proper moment in history, the Pope will visit the combined Jewish/Christian/Moslem sector of Jerusalem to announce that all religions should be combined into one. This action will finally break the Middle East logjam. This will mark the advent of the One World Religious System under the False Prophet of Revelations.”* Lambert is saying that some future pope will operate as the False Prophet of Revelation.¹ And this is NOT out of line with the thinking of some very heavyweight Catholic Churchmen. Francis of Assisi, Bishop Sheen and Cardinal O’Conner, among many, - have taken the position that the False Prophet of the Last Days would indeed be an apostate prince of the Church.² The imminence of such an event is driven home by an extra-biblical, Catholic prophecy by St Malachy that detailed the careers of future popes beginning in the 12 century with short Latin phrases that characterized their rules. According to that prophecy – [extra-biblical, mind you – and therefore always suspect] – the current Pope, Benedict is to be the next to last.³

That the Roman Church would be involved in promoting a New World Order should be a shock to no one. In the Fall of 2011, the Vatican issued a document called *“Towards Reforming the International Financial and Monetary Systems in the Context of a Global Public Authority”*. This document laid out the Catholic Church’s vision for a new global economic order which should, in their view, include a central banking authority for the entire planet. Rome called for a *“supranational authority”* that would exercise *“universal jurisdiction”* – and the starting point for this new authority should rest with the United Nations. Explaining the official Catholic vision, the document’s language references an *“emerging requirement for a body that will carry out the functions of a kind of ‘central world bank’ that regulates the flow and system of monetary exchanges similar to the national central banks.”* In order to achieve that end, *“a gradual, balanced transfer of a part of each nation’s powers to a world authority and to regional authorities”*, would be required.^{4 5}

This whole subject gets very interesting when we take into consideration just what is expected by both the New Age / Illuminati community and the late Pope John Paul. According to the House of Theosophy’s Bill Lambert: *“Minutes before the*

Antichrist arises, some supernatural sound will be heard and spiritually felt by everybody on the planet, simultaneously...with everyone's attention aroused, images of Antichrist will appear simultaneously over the entire earth, speaking to mankind, each in his own language. The signs and wonders will have begun." (Bill Lambert) According to Lambert, "he will appear as different beings to different people". Alice Bailey says, "A loud sound will be heard world-wide which will herald the coming of Maitreya the Christ. Prompted by this sound, people will be aware of his coming on three distinct levels: Spiritual, physical, and emotional".⁶ Constance Cumbey tells us "*His Three-Dimensional image will appear over all nations of the earth simultaneously*".⁷ Again, this agrees with much of what certain segments of the Catholic world is expecting.⁸

Readers of this newsletter may recall that Pope John Paul expected a vision of Mary that would embody many of these same characteristics. Vatican Jesuit Malachy Martin revealed this in his book *The Keys of This Blood*. John Paul believed that he was promised a powerfully-psychic worldwide vision of Mary that would confirm the primacy of both Rome and the Pope. It would produce an "*engulfing chaos*" that will lead to mass conversion. It will be preceded by a loud sound, light or odor.⁹

The Forces of Darkness have some big plans when it comes to revealing their coming World Ruler. The Bible calls him Antichrist, and it is an apt term. This 'Messiah' will be both stand against the things of God and at the same time be a poor imitation of the real Christ, the soon-returning Jesus of Nazareth. Of course the world has been well prepared to accept him, - welcome him,- depend on him as the answer to their most pressing dilemmas. Now the main point of Peter Lemesurier's revealing *Armageddon Script* was this: Through all of history, - all prophecy has been somewhat contrived. The ancient Hebrew prophets and even Jesus Himself ordered some events to fulfill ancient prophecies. Cutting Edge's David Bay makes it clear that according to Theosophist Lambert and other New Age sources, "*Aliens and UFOs are part of the plan to produce The Christ*". [That's something we'll be covering again very soon.] Lemesurier reveals that during this staged fulfillment, "*the earth will also have been visited by the long-suspected extra-terrestrial aliens*".¹⁰ It is all an elaborate hoax, and so will be the appearance of the next Christ, the Lord Maitreya. And let me tell you; - they've got plans to bring him in, in style.

That's the point of it all, this Messiah is to be wholly humanly arranged. "*If the Messiah is to appear, then he must be produced.*" This is just as much a "*function of humanity as divinity*". The plan is to have him seem to fulfill Biblical prophecy, - as much as is *humanly* possible. According to Bill Lambert, one of the purposes of this is to convince the Orthodox Jews of the legitimacy of this Messiah. (Hence, the emphasis on rebuilding a temple. Orthodox Jews believe that the Messiah will rebuild the Temple when he comes.)¹¹ Peter Lemesurier gives us the final details of this plotted 'human fulfillment'. "*The restored Messiah must reappear on Jerusalem's Mount of Olives at the time of a great earthquake*". This will satisfy the words of Zechariah 14:4. "**In that day His feet will stand on the Mount of Olives, which is in front of Jerusalem on the east; and the Mount of Olives will be split in its middle from east to west by a very large valley, so that half of the mountain will move toward the north and the other half toward the south.**"

"He must enter Jerusalem from the east", - again on the back of a donkey: Fulfilling again Zechariah 9:9: "**See, your King, comes to you, righteous and having salvation, gentle and riding on a donkey, on a colt, the foal of a donkey.**" It's to be a replay of Palm Sunday. The author tells us the "Messiah's" entry is to take the form of a procession across the Kidron Valley, close to the Temple Mount. "*The procession's sudden appearance will inevitably have a dramatic effect upon those who see it emerging*" amid the smoke and destruction of the war. He will be accompanied by "*rejoicing followers dressed in shining white*". The point of all of this is that, - in Lemesurier's words now, - the "Antichrist" be "*enthroned, anointed and crowned King of the New Israel*". In the scenario revealed in the *Armageddon Script*, all of this seems just a minutely choreographed part of the plan!

According to numerous New Age sources, the New Messiah will present himself as a New Christ that will fulfill the expectations of all the world's religious traditions. It is the openly stated purpose of this great effort to deceive the masses into accepting the "Christ" and the New World Order. Remember, this will all come after a period of war and upheaval unprecedented in the history of the world.¹² There will be great temptation to believe, what seems to be such convincing evidence. Jesus warned his disciples of those coming days. "**Then if anyone says to you, 'Look, here is the Christ!' or, 'Look, He is there!' do not believe it. For false christs and false prophets will rise and show signs and wonders to deceive, if possible, even the elect. But take heed; see, I have told you all things beforehand.**" (Mark 13:21-23) Finally, he will proceed to the Temple Mount, for the great coronation ceremony.

The point of it all is to create a messiah figure capable of both satiating the Jewish longing for a promised Messiah, as well as, - at the same time being able to unite Christians, Muslims, and other religions of the globe. We have stumbled on the plans of men. Will this deception work? The Scriptures say that many indeed will fall in that day. Jesus showed a vision of the future to John in which **“all the world marveled and followed the beast”**. (Revelation 13:3) Paul warned Christians throughout the ages in his letter to the Church in Thessalonica. The rise of the Antichrist will come through **“the working of Satan, with all power, signs, and lying wonders”**. But that **“unrighteous deception”** will only work on **“those who perish, because they did not receive the love of the truth”**. And who will perish? Paul gives us the test; - **“that they all may be condemned who did not believe the truth but had pleasure in unrighteousness”**. (2 Thessalonians 2:9-12)

So yes, One World Religion is fully in their plans. But it is one that will likely see its greatest developments after the Rapture, when the Restraint is removed and they can more easily embrace this deception of their own making.

OH THOSE DARN FUNDAMENTALIST CHRISTIANS

Rev Kathy Smith

We see it all the time in the news, we hear it all the time in the media, we can even ‘sense’ the disdain of friends, family and co-workers when we speak of what is righteous, fair, moral, or of good report. *‘Those Fundamentalist Christians, those Evangelicals...can’t they keep their archaic ideas and morals to themselves, instead of trying to thrust them on ‘Modern’ Society?! Who do they think they are, the conscience of the whole world?’* The recent media attacks on Tim Tebow, the Christian football player for instance, brought Rebecca St. James, a Gospel singer forward to defend his upright, moral beliefs to an antagonistic and very argumentative interviewer. The interviewer said in my paraphrased words, *‘What?! He’s a 24-year-old virgin? How weird!’* King David spoke of such an attitude in Psalm 2:3, where the world says, **“Let us break their bands asunder, and cast away their cords from us.”** In essence the world says, *‘Let’s disregard the Christian’s corrections, instructions, and restraints, which they try to impose upon us! We don’t want to feel guilty about how we live, talk, and act. We want to be free to do whatever feels right to each of us.’* The sad part about that attitude is that God Himself has already condemned (John 3:18) and judged them by the very standards which they abhor and reject...In Psalms 2:4,5,10-12 we read, **“He that sits in the heavens shall laugh: the Lord shall have them in derision. Then shall he speak unto them in his wrath, and distress them in his great displeasure. Be wise now therefore, O you kings: be instructed, you judges of the earth. Serve the LORD with fear, and rejoice with trembling. Kiss the Son, lest he be angry, and you perish in the way, when his wrath is kindled but a little...”**

The only way to know if we please God or make Him angry is to look into the mirror of God’s Word (James 1:23-25) to reveal what we are really like. That is why most people will reject the Bible – they do not want to see what is really wrong in their hearts. Soooo.... *‘I’m proud to be a Fundamentalist, where at least I know I’m free...’* Oh wait, that’s a different song.

To be Fundamental means to serve as an original, a generating source, primary; relating to essential structure or function; deep-rooted; elementary, basic, of central importance. A Fundamentalist is one who adheres to the literally interpreted Bible, and has a strict adherence to a set of basic principles. The opposite of fundamental is: secondary, complicated, sophisticated, elaborate and ‘evolved’. Evolved beings say that The Bible is ‘old-fashioned’ and a lot of fairy tales, so instead they produce a ‘secondary’ and more ‘sophisticated’ gospel to live by, like homosexual marriage, free sex, abortion on demand, etc. When I’m in trouble or need help, I want to turn to a life generating, primary, unchanging source – the original God, Who says in Malachi 3:6, **“For I am the LORD, I change not;..”** I will not look for aid from those ‘evolved’ sources that can change their tune according to whatever they want truth to be. Proverbs 24:21 says, **“My son, fear the LORD and the king: and associate not with them that are given to change”**. Change here means: to alter, disguise, pervert, etc.

Recently the talk show host Rosie O’Donnell had harsh words for presidential hopefuls Rick Perry and Michele Bachmann. Why? Perhaps because they adhere to a deep-rooted and elementary belief in what is Fundamental in God’s Word. How dare they impose their beliefs on her world!

We should be happy to be a fundamental believers in everything that God has put down in His Word, for it is of primary, essential importance to our very lives, and we will, by the Grace of God, never turn away from His Truth!

OF IRAN & THE DOLLAR

With each passing week, the situation vis-à-vis Iran gets ever more curious. Here is the DEBKAF file report of what happened this last Sunday, January 22nd. *“Three weeks after Tehran threatened action against any US aircraft carrier entering the Strait of Hormuz, Washington made two moves: US Defense Secretary Leon Panetta disclosed Sunday, Jan. 22, that the USS Enterprise Carrier Strike Group would steam through the strategic strait in March; a few hours later, the US Navy sent the USS Abraham Lincoln carrier through the strategic strait without incident, accompanied by British and French warships.”* So while the US was executing a face saving maneuver, the Obama administration was enlisting back channel diplomacy to re-engage Tehran on issue of its nuclear weapons program.¹³ But while the White House was taking steps to defuse the situation, at least temporarily, the Israelis let it be known that they would give Washington – in the words of the Times of India - *“no more than 12 hours notice before it ventures to demolish Iran's nuclear installations.”*¹⁴ Meanwhile, Iran sternly warned that it would indeed *‘definitely’* close the Strait of Hormuz to oil traffic should European sanctions take effect.¹⁵ That warning was extended to the US in a very bellicose way by Iranian Rear Admiral Farhad Amiri who warned that Iranian submarines *“can ambush and destroy enemy vessels especially U.S. aircraft carriers.”* This claim may actually have some substance to it as Tehran’s naval forces are *“assessed by various reliable sources to have the Russian export version of the Shkval, a high-speed supercavitating rocket-propelled torpedo designed to be a rapid-reaction defense against other submarines and surface vessels....Because the Shkval can travel at speeds of 250 miles per hour, the U.S. Navy has no known defense against it.”*¹⁶

And while all that was occurring on the military / diplomatic front, something perhaps much more significant was developing in the world of finance. Recall that all across the globe, oil has been traded for just about exclusively in dollars since the end of World War II. Now the attempt to organize a general boycott of Iranian oil may be the signal that is setting in motion to dethrone the dollar from its lofty perch. That connection with oil has institutionalized American economic dominance for decades. It has allowed the US to basically create money at will – with little in the way of backing – because the world always had to knock on Washington’s door – to keep the black stuff flowing. So here is the report from DEBKA that may be signaling a general sea change. *“India is the first buyer of Iranian oil to agree to pay for its purchases in gold instead of the US dollar.”* China is expected to follow suit. The change of course, will be a gradual one, as the European sanctions will not go into full effect until July 1, 2012.^{17 18} The effect of all of this will extend to far more than oil. The globe’s other major economies are beginning to pull away from their dependence on the dollar as the general medium of exchange. The world’s second and third largest economies – China and Japan - agreed last month to bypass the dollar in their significant bilateral trade relationship.¹⁹ [This newsletter has often in the past subscribed to the predictive analysis of such groups as LEAP 20/20 and Gerald Celente’s Trends Research and Pastor Lindsay Williams – all of which have predicted that a major drop in the value of the dollar in the near term that could range anywhere from 30% to 40%.] Developments such as these could of course be seen as preliminary moves in the complicated dance that will be the development of a new currency system for the globe.

ONE YADA

REPLACE THIS ! – A big religious conference is set to take place in Bethlehem this March – and the participants there will not be taking a kindly view of the state of Israel. The Bible College at Bethlehem will host the “Christ at the Checkpoint 2012 Conference”. Attending will be a covey of leftist theologians and fellow travelers of Palestinian terror supporters aiming to demonize the very existence of Israel. The Conference Manifesto has been published on the websites of the World Council of Churches, the Global Ministries of the United Church of Christ and the Disciples of Christ. Writing in Israel's Arutz Sheva, Giulio Meotti notes that this document *“defines Israel as an ‘illegal regime’ and a ‘crime against humanity’”*. It also promotes an *“‘international boycott, divestment and sanctions campaigns’ against Israel, labels the more neutral Churches as ‘accomplices in crimes against humanity’ and attacks Christian Zionism as ‘a crime and sin as defying the core of the Gospel.’”* The Rockefeller-created and supported World Council of Churches is fully on record supporting the ‘Right of Return’ for Palestinians. This doctrine would flood Israel with Arabs, in the process destroying the Jewish character of the state. In 2008 the WCC was joined by other Protestant and Catholic theologians who insisted that any Biblical references to Israel should only be seen *“metaphorically”*. Here's Meotti again. *“The theological meeting also marked a return to ‘replacement theology’, the medieval view that the Church has replaced the people of Israel in God’s plan and that all biblical references to Israel refer to the “new Israel”—that is, to Christians.”*²⁰ Such a view is as preposterous as it is wrong. God’s Word says what it means. And it ALWAYS means what it says!
